

Pentecost

Over the last few weeks we have been learning all about Pentecost.

We sometimes call Pentecost 'the Church's Birthday' On this special day the gifts of the Holy Spirit were given to the disciples and they used these gifts to spread the Gospel message of Jesus.

Pentecost Sunday is on 31st May

How can you show how much you have learnt about this special feast?

You may wish to:

- write a poem about Pentecost,
- make a powerpoint,
- paint a picture,
- create a collage
- make a mobile
- create a dance or movement using words/phrases from scripture (accounts of Pentecost day from the Bible)
- take/find photos of examples of people using the gifts of the Holy Spirit.

Your learning will then be put into a special video which we will put on our website and send to our parish priests. I know they would love to see the wonderful things you do; they have loved your letters and pictures!

Here are some images of Pentecost to inspire you! They use the symbols of a flame or a dove
