

Year 5 Learning Log

Week Beginning 4th May

Bore da, Blwyddyn 5!

This Friday we will commemorate VE Day. I wonder how you're going to mark this special day in the history of our country? If the weather's fine you could grab a picnic blanket and have an outdoor party!

VE day was a joyous occasion 75 years ago, following 6 long years of war.

As we celebrate it this year, we remember to pause and in our hearts say 'thank you' to those people who made huge sacrifices for our freedom today.

Look out for special TV programmes about VE Day and find out what it would have been like for children on that day.

Whichever way you choose to celebrate VE day with your families, I would love to see your Seesaw photos!

Family Seesaw

Last week I sent all families an invitation to join Family Seesaw. This is a way of parents being able to see the work that your child has been set and also any announcements that I send during the week. It is also a convenient way of communicating with me. If you have had difficulty with the link that you were sent, please let me know. Thank you!

Home Learning

I have been asked whether it is necessary for you to send me every piece of learning that you do at home. I know that sometimes it isn't possible to photograph or email things to me. I also know that most of your learning is checked by your parents and they are doing an excellent job of teaching you!

Wherever possible I would like you to send me the things that you do. You don't need to send me every page of maths if your parent is checking it with you, but I would like to see at least one page of it each week and your parent can message me to let me know how you got on with it.

I definitely want you to share your other learning with me though! Every time I see some new pictures or videos it makes me smile and sometimes I laugh a lot at the funny and inventive things you are all doing!

It makes me very proud to see that you are such enthusiastic and thoughtful children!

Science

Research the kind of food that people would have eaten at the VE day street parties. Was it very different to the type of food that you would have at a party in 2020? Make or bake some party food for your family.

RE

Canon Isaac of St Teilo's is going to celebrate a mass online for our school on Sunday 17th May at 10am.

We have been asked to write some Prayers of the Faithful to be included in this mass. Prayers of the Faithful are sometimes called 'Bidding Prayers', asking for God's help or blessing.

Here's an example of a Prayer of the Faithful:

'For the people who are lonely and afraid at this time

Lord be with them, giving them hope and peace'.

Ideas for your prayer could be:

- ◇ Strength and protection for NHS workers and the key workers who are working hard to keep us all safe.
- ◇ Asking for strength and courage for those who are poorly at this time.
- ◇ Asking for continued faith and hope for the families who have been affected by illness or loss.

We also thought it would be lovely to send letters to our priests to let them know we are thinking of them at this time when we are unable to attend Mass at our parish churches. Your letter could include a little about how you are keeping busy, it could be a picture or even some jokes for Fr Andy!

Please send your letter to:

May: the month of Mary

This is a special month in the Church's calendar. During May we think about Mary, the mother of Jesus. Mary was Jesus' first disciple, since she knew even before he was born that he was the Son of God.

Mary has a special place in the Catholic Church- she is like a mother to all of us and this is why she is also called 'Our Lady'.

Did you know that when Christ the King school was built in 1969 it was originally called 'Our Lady, Queen of the Universe'?

Attached is a powerpoint about the Rosary- the set of prayers that help us to remember the story of how Mary loved and followed her son Jesus. Try to set aside time during May to pray the Hail Mary and if you have a Rosary at home you can use it to help you.

Maths

I have seen some fantastic White Rose Maths learning over the past fortnight!

I have attached the links for this week's daily videos and tasks on our Class Page.

You must watch the video **before** doing the worksheets. Another file provides the answers for you to check with your parents.

The activities can be printed out or you can look at the questions on the screen and write the answers down on paper.

This week's topic is multiplication, division and perimeter

Lesson 1- Multiply 2-digit numbers

Lesson 2- Multiply 4-digit by 2-digit numbers

Lesson 3- Divide with remainders

Lesson 4- Calculate perimeter

Lesson 5- Activelearn

Talk for Writing

Remember how last week's Science Learning Log was about animals around the world and how they adapt to their environment?

Our new focus text is 'Meet the Rhi-swano-zeb-tah'. It's about a very unusual creature!

Next week you'll create an information text about your own newly-discovered animal!

Follow this link:

<https://www.talk4writing.co.uk/wp-content/uploads/2020/04/Y5-Maria-Rhi.pdf>

Here are suggested sessions for this week:

Session 1: (pg 1-7) Read/listen to the information text

Session 2: (pg 8) Interests, questions and favourites

Session 3 (pg 9-10) Let's explore the words!

Session 4 (pg 11) Fill the gaps and review learning

Session 5 (pg 12-14) Comprehension

You may want to print out the booklet and write on the sheet, or maybe you'd prefer to record your ideas on paper or on Word in Hwb.

Watching TV - present/ past tense

Last week we revised sentence patterns in the PRESENT tense

If we want to say **I watch..**

We say **Dw i'n gwyllo..**

I watch BGT - **Dw i'n gwyllo 'BGT'**

I enjoy watching 'Ninja Warrior' - **Dw i'n mwynhau gwyllo 'Ninja Warrior'**

To use the PAST tense we say **I saw....**

Gwelais i..

I watched BGT - **Welais i BGT**

What did you watch? - **Beth welaist ti?**

Practise using these sentence patterns with your family

Challenge: extend your sentences with achos + adjective

Useful Adjectives	
interesting	ddiddorol
funny	ddoniol
boring	ddiflas
exciting	gyffrous
silly	wirion
great	wych

Bug Club reading (on your Activelearn account)

Well done to everyone who has read more than 2 books! When you reach the end of your reading book and have answered all of the questions, remember to rate the book (choose one of the emoji faces)

Project Grid 'Down to Earth'

I've seen a great variety of learning from all around the World! I'm looking out for photos I can share on Twitter, so keep sending me your photos, maps, etc!
