

Year 5 Learning Log
Week beginning 13. 4. 20

Bore da Blwydden Pump!

I hope you've all had a lovely Easter!

Thank you for continuing to share your learning with me- I love seeing what you've been up to!

Well done to all of you who have read my comments and have done the G4G.

I have noticed that a couple of you have not been using your Seesaw account.

You have all been emailed your Seesaw log-in details, so you should be using Seesaw at least twice a week. You can use it to take photos/film your learning. You can also use the microphone to narrate your work.

Many of you have emailed your learning to me on Hwb

Remember to check into the Y5 Home Learning Team on Teams for any other news.

This is the final week of our 'Take Off!' class project. I wonder how many activities you have completed? Try to do at least **one** more.

I will post our new project grid on our class page next week (I think you're going to like it!)

Have a great week, hwyl am y tro pawb!

Mrs W

p.s. Be good for your parents and help them in whatever way you can!

- 1) Use the correct word in a sentence

to too two there their they're where were wear your you're
--

2) Spelling focus: -ence

MUST	SHOULD	COULD
fence silence evidence sentence	confidence audience existence difference	intelligence convenience experience coincidence

Choose 2 from each column to use within a sentence. Use your neatest handwriting.

Complete the –ence spelling task.

- Maths
- Reading data from line graphs
