Are you surprised by any of these percentages?

CAFOD Lenten Appeal 2020

This Lent the staff and pupils are Christ the King are supporting the CAFOD theme of WHATS YOUR GOAL!

Caring for our common home The Amazon rainforest is crucial to the planet's climate. But people are not caring for our common home, caring for the Amazon region, and both the rainforest and the climate are in a critical state. More than one football pitch of rainforest in the Amazon is being lost every minute. This cannot go on.

You can help communities in the Amazon defend the rainforest this Lent.

In Laudato Si', his letter to all of us, Pope Francis says that we must 'protect our common home', the whole Earth, and that we can 'work together to do it'.

During Lent we are asking all pupils to raise some money for CAFOD's What's Your Goal appeal. They may have given up a treat, completed chores around the house. Instead of going to the cinema or buying your favourite magazine or treats you could give them up and give the money saved to CAFODS Lent appeal.

Each pupil has been given a football template; please stick any monies raised to the template and return to school after the Easter holidays.

It would be wonderful if each pupil could raise even a small amount, **together** our school community can help our neighbours around the world.

For I was hungry and you gave me food, thirsty and you gave me drink, a stranger and you welcomed me.
