

Year 5 Learning Log

Week beginning 13. 1. 20

Spelling focus: Homophones

MUST	SHOULD	COULD
bored	past	practice
board	passed	practise
aloud	berry	licence
allowed	bury	license
piece	course	stationary
peace	coarse	stationery

Mathematics

On your Activelearn account I have allocated a video which explains how to multiply and divide by 10,100 and 1000- this will remind you of the method we have been using this week

The attached worksheet has 3 levels- do one, two or all three.

Context: 'Children of the Revolution'

Next Thursday 23rd Years 5 & 6 will have a Victorian day in school!

This special theme day will give you a flavour of Victorian school life- the lessons, rules, routines etc.

- Find out about some of the games that Victorian children would have played- you can teach your friends how to play them!

We would like you to come to school in clothes similar to those worn by children of the 19th century, eg boys could tuck their trousers into long socks, wear a neckerchief around their necks etc. and girls could wear a skirt and shawl. Research pictures of Victorian children and see what clothes you have at home that you could use. Were Victorian hairstyles different to today's? Perhaps you could change your hairstyle a little!
