Trip to Hindu Temple Wednesday 16th October

One of our school's **Core Purposes** is to help our pupils to grow to be '***ethical, informed citizens who are ready to be citizens of Wales and the world***'

As part of our RE scheme, 'Come and See' we are learning about some of the diverse religions within our city of Cardiff. Our focus this term is Hinduism and we are lucky to have the opportunity to visit a Hindu place of worship and learn about what happens there.

Out of respect to the religious customs of the temple, please read and comply to the following:

- **No food or drink is allowed in the temple.** We will be there from 9.30am and returning to school by 12.30pm, so make sure you eat all of your breakfast that morning!
- **Girls must cover their heads with scarves (not hoods) inside the temple.** If you do not have one, please let me know
- **Girls must cover their legs with trousers or tights.**
- **All shoes must be removed upon entering the temple.**

No souvenir money is needed.

I have been advised that, in addition to the class teachers and TAs, the children should be accompanied by two males. Mr Brazil is coming with us- so if any dads/grandpas are willing to help us next Wednesday morning we would be very grateful. Many thanks!
