

Year 5 Learning Log

Week beginning 16.9.19

Learning Logs will be put on the school website each Tuesday and Learning Log books will be sent home each Wednesday. Please remember to bring your Log into school each Monday so that we can go over the maths together.

Spelling and Handwriting

Choose whether you will learn the MUST, the MUST and the SHOULD or all three lists.

We will have a spelling test each Monday.

Your handwriting task is to choose 5 from the list and write them in a sentence in your best handwriting.

MUST	SHOULD	COULD
sure cure picture nature future	secure creature mixture furniture adventure	temperature manufacture structure pressure capture

Mathematics

- The attached worksheet is in three sections which become progressively more challenging. Please only do the section that you are able to do.
- I have put a new game 'Smack the Shack' on your Activelearn account for you to practise your skills in addition and subtraction whenever you have a moment or two
- You can also go on J2 Blast through your Hwb account to practise your quick-fire mental arithmetic responses

This half term our Context for Learning is 'Incredible India'.

We will be looking at the landscape, traditions and culture of this beautiful country. We will also be learning about some of the practices of one of India's major religions, Hinduism.

On Wednesday 16th October we shall be visiting the Shree Swaminarayan Hindu Temple in Cardiff; you should have taken home a letter about this last week.
