

Year 4 Learning Log

13th July 2020

It is hard to believe that we have reached the end of this school year, but this is the final Year 4 Learning Log for 2019-20. I really hope you've enjoyed the tasks I've set and have benefitted from doing them. It's been a pleasure to see and give feedback on the work you've shared with me on Seesaw. It's also been great over the last two weeks to start to join up what we have been doing in school with what you've produced at home.

The final Learning Log introduces a new Talk for Writing booklet. As with the other booklets, the work is designed to be covered over two to three weeks. I'm suggesting that you complete the usual four activities with one set to be taught in school. If you are not coming in next week, then you could do this fifth task at home. Obviously, school finishes on Friday 17th but if you would like to continue with some English tasks over the summer, then this booklet might be helpful for you. Otherwise, you can just do a part of it.

There is also another week of White Rose maths activities posted here. As with the last two weeks, we will cover your day in school with the relevant session here. It would be helpful if you could be up to date for the day that you attend.

This Week's Learning Log

- 5 English activities (1 school based)
- 5 Maths activities (1 school based)
- 1 Spelling and handwriting activity
 - 1 Welsh activity
 - 1 RE activity
- Ongoing science project

1. **English** - The new Talk for Writing booklet links up with the previous one. It is called 'Goblinology'. If you enjoyed 'The Impossibly Possible Bookshop' you will definitely like this as well! We are going to focus on the first part of it which builds up to a report about a goblin that you have imagined. You could look back at the ideas that you had for different types of goblins last week.

Session 1 (School based task) - We are going to work together on the report about Cloud Goblins which is on pages 8 and 9 of the booklet. There is a Soundcloud recording of the report and a quiz to complete. The answers to the quiz are at the end of the booklet.

Session 2 - Complete the introduction activities and the 'ology' words task on pages 3 and 4.

You might want to miss out the task where you need to draw your own goblin as this is very similar to the work we looked at in the last unit but if you'd like to, give it a go!

Session 3 - Write a set of sentences to describe a Cupboard Goblin on page 7.

Session 4 - Carry out the word bank activities on pages 10-13.

Session 5 - Plan and write your own report on pages 14-15.

The second part of the booklet, if you want to have a go at it, builds up to a set of instructions for how to trap a goblin. There are also some ideas for goblin art projects and some poems. You may enjoy looking at these. Have fun!

2. **Maths** - The final set of White Rose activities for this term are attached to the Learning Log. The task for your day will be covered in class and we will work through the questions from the sheet.

Don't forget you can try something easier or harder by moving to the Year 3 or Year 5 activities. The session 5 activity is always a challenge or investigation and there is no worksheet for this day. If you follow the link below, you should be able to click on a link that White Rose have created for this task.

<https://whiterosemaths.com/homelearning/year-4/>

Session 1 (Monday in school) - Lines of symmetry

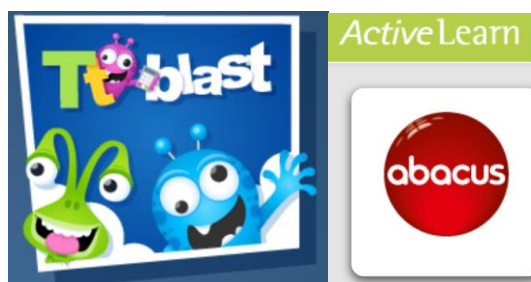

Session 2 (Tuesday in school) - Create a symmetric figure

Session 3 (Wednesday in school) - Describe position

Session 4 (Thursday in school) - Draw on a grid

Session 5 - Maths challenge

Try to post some of your work onto Seesaw so I can see how you've been getting on. Also don't forget the maths activities on Active Learn and J2 Blast.

3. **Spelling and Handwriting** - Here are the spelling words for this week. You can choose whether you want to work on just the 'must', the 'must' and the 'should' or all three lists. The handwriting task is to write sentences using these words in them in accurately sized and joined handwriting.

MUST	SHOULD	COULD
learn	length	knowledge
often	library	occasionally
island	material	possession
notice	perhaps	particular
minute	possible	peculiar

4. **Welsh** - Here is this week's Welsh phrase.

Ymadrodd o'r Wythnos

Ble wyt ti'n mynd?
(Blair oyt teen min-d ?)
Where are you going?

Dw i'n mynd i'r parc gyda fy tad a chwaer.
(Dween min-d ear park gud-ar fuh tar-d ah choir.)
I'm going to the park with my dad and sister.

Dw i'n mynd i'r parc gyda fy tad a chwaer achos mae hi'n braf heddiw. Es i i traeth ddoe achos roedd hi'n heulog, es i yn y mor - roedd hi'n wych!
Dween min-d ear park gud-ah fuh tar-d ah choir ack-os my heen brav heth-oo. Air-see-ee try-th thoy ack-os roy-th heen hey-log, airsee un-er more- roy-th heen weak!
I am going to the park with my Dad and sister because it's fine today. Yesterday I went to the beach because it was sunny, I went in the sea - it was great!

5. **RE** -We have been discussing CAFOD's 'Summer of Hope' appeal which is raising money to help support some of the poorest communities in the world in responding to the Coronavirus crisis. You can still donate money to the appeal using the link to the *Just Giving* page on the CTK newsletter. We have been talking about how our actions can bring hope to others. How could you bring hope to others at this time? Complete the short activity and decorate the words from Pope Francis.

What actions will you take to bring hope today?

"All it takes is one
good person to
restore hope."
Pope Francis

6. **Science** - This is the final week of the summer term science project. If you haven't already done so, you might like to upload a video onto Flipgrid. You may wish to add another. How have your investigations gone? Some of you have been telling me about them on Seesaw and showing me pictures.

Don't forget that the Bug Club books are still available and can be accessed through the Activelearn website. These books should still be there during the summer break so you may wish to keep using them. If your books are not renewing when you've finished them check to make sure you've completed all the bug questions. We've been looking at this in class. You also need to make sure you've clicked on close the book at the end.

I hope you all have a relaxing summer break.

Mr Wright
