

Year 4 Learning Log
14th January 2020

1. **English** – All children have been provided with a book to read that we have been focusing on in our Guided Reading groups. If possible read some of this book to someone at home. It is not necessary to read the whole of the book aloud, especially if it is a longer text. Try to discuss the book when you read it. What do you like about it? Does it remind you of any other books? Would you recommend it? If possible aim to finish the book by next week as we will move on to a new text. If you would like to, you can keep it for a bit longer to finish.

You have also been provided with a reading diary. Keep a record of your guided reading books and make a comment yourself on it. If someone listens to you read at home, they could also record this. It would be fantastic if you could use these to keep a running record of the other books that you are reading at home over the course of Year 4.

Once the Guided Reading book is complete, please write a short review of it giving your opinion about it.

2. **Maths** – Complete the maths sheet. Discuss the different mathematical vocabulary we have learnt this week about shapes.
3. **Spelling and Handwriting** – Here are the spelling words for this week. You can choose whether you want to work on just the ‘must’, the ‘must’ and the ‘should’ or all three lists. The handwriting task is to write sentences using these words in them in accurately sized and joined handwriting.

MUST	SHOULD	COULD
flat	active	lengthen
flatten	activate	motivate
horror	summary	apologise
horrify	summarise	emphasise
simple	simplify	amplify

Learning logs need to be returned on Monday 20th January to be marked.
