Numeracy

WALT:

- Place 2- and 3-digit numbers on a number line;
- round 3-digit numbers to nearest 100;
- use counting up to do mental subtractions with answers between 10 and 20, 10 and 30, and either side of 100

Please find attached the homework sheet, games have been added on active learn for the children to complete.

Remember J2E Blast on Hwb has lots of times tables games.

Advent Prayer

Please write a prayer for Advent to help us to prepare for Jesus' birth. You could try to start your prayer in a different way e.g. Our Father in Heaven, Bringer of Peace, Loving Lord etc.
You could also think about asking God to help you to be an Advent Angel, someone who is patient, forgiving and gentle.
These prayers will then be made into class Advent prayer books, so please write them as neatly as possible on A4 paper and include some illustrations
