Complete the mastery which is on the next page.

Dates to remember

Friday 7th December – CTK Christmas Fayre

Tuesday 18th Decemeber – Year 3 & 6 Carol Concert – St Bridget's Church

If you have any questions or queries, please feel free to pop in and speak to Miss Jenkins.

abacus **Mastery Checkpoint**

Have you mastered length and capacity?

a) Draw a line exactly 10 cm long.

b) Write the most likely length for each creature.

A hedgehog is	2 cm long	20 cm long	2 metres long
A spider is	3 cm long	30 cm long	3 metres long
An elephant is	6 cm long	60 cm long	6 metres long

c) Write < or > between 500 ml and 2 litres.

d) Which of these statements is incorrect?

A: a bucket holds 8 litres B: a teaspoon holds 5 litres

C: a mug holds 300 ml

Champions' Challenge

1. A mouse is 10 cm long. How many mice are the same length as a 2-metre tiger?
2. A cup holds 250 ml. How many cups of water would it take to fill a 2-litre bottle?
