

Year1

Learning Log week beginning 15.06.20.

Literacy:

Reading:

Please continue to read and complete comprehension activities on Bug Club. I have added more books for those that were nearing the end of the allotted number of books.

Spelling - 'au' words:

Write a sentence in your learning log for each 'au' word you can think of. Here is a list you could use to get you started:

haunt	launch	haul
fault	vault	astronaut
August	pause	Autumn

Writing:

Our next Talk for Writing story is 'Sayeeda, the Pirate Princess'.

- Revisit the story once again. Can you retell the story yet? Use your story map to help you.
- Complete the quiz questions for the story. Remember to answer each question in a full sentence.
- Read/sing the song. Write your own verse for how old you are now.

Maths:

The link to the daily lesson videos is here:

<https://whiterosemaths.com/homelearning/year-1/>

All lessons are saved to seesaw and school website as usual.

RE:

- Read the story of Jesus and Zacchaeus.
- Think about the story from last week of Levi and this week's of Zacchaeus. Do you think they found it easy to change their ways?
- Decorate an outline of a candle with words and/or phrases that will show how you can be kind and 'be a light that shines in the darkness'.

Context:

As you know this half term is dedicated to science enquiry.

I've already seen several excellent science enquiries undertaken by year 1 pupils. If you haven't managed it, maybe have a look at what you would like to enquire about and for this week make a prediction. Write down what you think will happen and more

importantly, say why you think this will happen, e.g. *I think the hottest time of the day will be 12:00pm because this is when the sun is highest in the sky.*
