

CTK Year 3 Website and Apps 2025-26

Seesaw  Seesaw	We will be using Seesaw to share what we have been learning in school and to keep you updated on important information. Mr Wright's office hours - Monday, Tuesday, Wednesday and Friday, 8am-5:30pm. Miss Pymm's office hours - Tuesday, Wednesday, Thursday and Friday, 8am-5:30pm
Hwb  	<u>Familiarisation Assessments</u> To access the practice assessment questions you need to: Login to Hwb -> click on Personalised Assessments -> click on Familiarisation Assessments -> choose English Reading, Numeracy Procedural and Numeracy Reasoning. Hwb Login: https://hwb.gov.wales/login?redirectUrl=https://hwb.gov.wales/
White Rose Maths We use White Rose Maths as our main maths scheme for teaching and learning. 	White Rose Maths Parents & Pupils section - click on the Parents & Pupils tab at the top of the White Rose Maths home page to access a range of resources. https://whiteroseeducation.com/parent-pupil-resources/maths 1 minute maths app - practice addition, subtraction, multiplication and division at a range of levels. You can download an app to access this. https://whiteroseeducation.com/1-minute-maths#download Home learning for Year 3 - some helpful videos for each unit of work that you can watch with your child. Please note that the order we teach each unit may differ to the order on the website. Click on Parents & Pupils -> Home Learning -> choose a unit of work -> choose an area of learning to practice Maths home learning Home learning White Rose Education Maths with Michael - Useful videos that show the strategies and systems we use to teach early numbers. https://whiteroseeducation.com/parent-pupil-resources/maths/maths-with-michael#watch

Monster Phonics 	Monster Phonics is an enhanced systematic synthetic phonics scheme. Follow the link to meet the monsters! https://monsterphonics.com/the-monster-phonics-approach/
Active Learn - Bug Club  An online library of scheme books to support reading. Your child should know their username and password. The school code is: g39r 	Bug Club login: https://www.activelearnprimary.co.uk/login?c=0 • Click the 'Will it work on my computer' link before you try to log in. • Click on My stuff to access 'My Work' where you can see books at the appropriate reading level for your child. • Click on Reading Corner for a library of personal interest/topic books that you are free to choose from. • Answer comprehension questions by clicking on the bug with open eyes. When it has been answered correctly the bug's eyes will close. • Completed books will be moved to My Library and a new book will be released into the My Work section. • It's really important they are reading every day!
J2Blast 	J2Blast - Please encourage your child to have a practice before going live! We know they love playing against each other but it's important they practice first so they can see which questions they got wrong so they can learn from this. Log on to Hwb -> click J2E -> click J2Blast -> click TTblast -> click <u>Have a Practice</u> https://www.j2e.com/j2blast
Top Marks  A useful website full of educational resources.	Here are some useful games your child can play online. Hit the Button - practice number bonds, doubles, halves, times tables and division facts https://www.topmarks.co.uk/maths-games/hit-the-button Place Value Basketball - practice identifying ones, tens and hundreds using Dienes base ten blocks. https://www.topmarks.co.uk/learning-to-count/place-value-basketball Caterpillar Ordering - practice putting numbers in the correct order. Caterpillar Ordering - An Ordering and Sequencing Game

ict games
