

Year1

Learning Log week beginning 08.06.20.

Literacy:

Reading:

Please continue to read and complete comprehension activities on Bug Club. I have added more books for those that were nearing the end of the allotted number of books.

Spelling - 'ur' words:

Write a sentence in your learning log for each 'ur' word you can think of. Here is a list you could use to get you started:

fur	burst	Thursda y
burn	curly	nurse
hurt	turn	purple

Writing:

Our next Talk for Writing story is 'Sayeeda, the Pirate Princess'.

- Read the story together with an adult or listen to the sound recording (link on top of the page).
- Revisit the story a few times of the course of the week so that it becomes more familiar.
- Talk about the story.
- Create your own story map to help you retell the story to someone else.

Maths:

This week's mathematics focus is counting larger quantities by counting in 2s, 5s and 10s. There are 4 lessons saved to Seesaw and school website as usual.

RE:

Use the 3 pages saved as 'Y1 RE – Sorry'.

- Ask the questions on the first page.
- Read the story of Jesus and Levi.
- Write a note of thanks as if you were Levi.

Context:

This half terms context work will be a whole school science project. Please see the additional 'Science enquiry' document for more information.

We would love to see as many pupils in the school taking part in this project and you will be able to view each other's videos via the Flipgrid page. The project will run up until the summer break so don't feel you have to do something each week. Completing one enquiry over the course of the project will be enough.
