

Year1

Learning Log week beginning 27.04.20.

Literacy:

Reading:

Make sure to log onto Active Learn for regular reading books. New books are not released until the comprehension activities are completed. If the activity isn't completed properly the new book won't be released so may need to be completed again.

Spelling - 'or' words:

Write a sentence in your learning log for each 'or' word you can think of. Here is a list you could use to get you started:

corn	torch	fork
sort	for	storm
worn	sport	horse

Writing:

Complete the 2 pages for Sydney the Spider.

- One you need to add in all the missing capital letters and full stops.
- The other is looking at prepositions.

Maths:

White Rose are yet to release the next set of lessons for summer term. I have downloaded previous weeks that haven't been set as learning log up to now. All lessons are saved onto school website and Seesaw as per.

<https://whiterosemaths.com/homelearning/year-1/>

If you have completed these lessons before there are also maths games set on Active Learn. Log in the same way as you would to access reading books and they will automatically come up to play.

RE:

Canon Isaac is planning on saying an online mass for pupils and families of Christ the King. He has asked if pupils can be involved in some way. Mrs Keegan has asked if you could do one of the following for this week's learning log:

- Pupils to write a prayer for the online mass for our school focusing on thanking those in the NHS, Key workers, praying for those who are unwell and their families, prayers of hope and love etc.
- Pupils to write a letter and post to either Canon Isaac at St Teilo's or Canon Matthew and Father Andy at St Brigid.
- They could include pictures and even jokes for Father Andy. I think they would really appreciate this from our pupils.

Context:

There is a new project grid uploaded onto both SeeSaw and school website - 'Paws, claws and whiskers'.

Use pencil and paper or j2e data (on HWB) to make a bar graph. Ask your family and friends what their favourite pet or animal with paws claws and whiskers is. (Call or facetime them) Which is the most popular pet?
