

Year1

Learning Log week beginning 20.04.20.

Literacy:

Reading:

Make sure to log onto Active Learn for regular reading books. 2 are allocated at a time. Once one is finished it will be saved in your library and another will take its place. Click the picture of a bug face in each book for comprehension activities.

Spelling - 'oy' words:

Write a sentence in your learning log for each 'oy' word you can think of. Here is a list you could use to get you started:

boy	enjoy	destroy
toy	royal	loyal
joy	annoy	employ

Speaking and listening:

Use the story of Sydney the Spider from last week and answer the two pages of questions on attached sheets.

Maths:

I have downloaded this week's lessons from White Rose mathematics and **saved them to the school website**. Each lesson comes with a PowerPoint to explain the learning before trying the activities.

Please visit the site first to watch the teaching videos in order. We are on summer term week 2.

RE:

Our new topic is 'Holidays'.

To begin our topic choose from the following activities to do at home:

- Pack a suitcase for a doll or teddy to go on holiday.
- Map a route to go on holiday.
- Act out a holiday in your house or garden.

Context:

There is a new project grid uploaded onto both SeeSaw and school website - 'Paws, claws and whiskers'.

Have a look at the project grid and choose any activity you would like to do this week. Make sure you are posting what you do on SeeSaw so I can see.
