

Year1

Learning Log week beginning 13.04.20.

Literacy:

'oi' words:

Follow the instructions on the sheet and then write a sentence in your learning log for each of the 'oi' words. Here is a list you could use to get you started:

boil	joint	oil
join	foil	coin
soil	spoil	noisy

Adverbs:

An adverb is a word that describes a verb, e.g. **The dog barked** (*verb*) **loudly** (*adverb*).

Complete the sheet.

Write each adverb into a new sentence of your own in your learning log.

Describe the following verbs: speak, swim, sing, build, clean, paint, drive, play.

Maths:

I have downloaded this week's lessons from White Rose mathematics and **saved them to the school website**. Each lesson comes with a PowerPoint to explain the learning before trying the activities.

Please visit the site first to watch the teaching videos in order.

RE:

During mass, we come together to share the Jesus' meal, The Last Supper. The church family also come together at other times to celebrate. What other occasions does the church family come together?

Write a prayer using the following sentence starter. You can repeat the same sentence with different endings:

I can love and serve Jesus by....

Decorate your prayer and maybe say it with your family before or after a meal you share.

Context:

This is one of your project grid activities. Don't worry if you've already done it, you can choose something else.

Who is the king of the jungle? Decide of which living thing from the jungle you would give this title to. Create a certificate, PowerPoint, film, poster, etc telling me why you have chosen this. What makes them such a good contender for the title of 'King of the jungle'.
