

Christ the King Catholic Primary School

Our Vision:

Learning to love, loving to learn.

We are:

A worshipping community that holds and celebrates Christ as the centre of its faith and life.

Article 14: *You have the right to choose your own religion and beliefs.*

We do this by celebrating in a way that our community feels inspired, rewarded and challenged in its faith and life, by encouraging and enabling participation in worship appropriate to each individual.

A learning community that values and fosters the learning of the whole community.

Article 28: *You have the right to good quality education.*

We do this by enabling our children to be self-aware, confident, skilled, enthusiastic, lifelong learners searching for excellence. Teaching our children to know that God loves them and that they are unique and made in the image and likeness of God.

A respecting community that follows the teaching of Christ when he said 'love thy neighbour as thyself'

Article 29: *Your education should help you use and develop your talents and abilities.*

We do this by fostering respect for all people as well as for the environment and respecting the unique God-given gifts that each member of the school community has to offer, and nurturing fairness, care and courtesy. Fostering respect for all people as well as for the environment, and respecting the unique God-given gifts that each member of the school community has and to offer and nurturing fairness, care and courtesy.

A welcoming community that recognises and welcomes the presence of Christ in each other through our respect and love for one another

Article 15: *You have the right to choose your own friends and join or set up groups.*

We do this by instilling a culture of inclusivity, encompassing the wider community and nurturing a sense of honesty, openness and self-worth in ourselves and others.

A serving community that enables its pupils to serve each other, their families and wider world.

Article 2: *All children have these rights, no matter who they are, where they live.*

We do this by encouraging our children to serve each other through friendship, kindness and sharing in work and play whilst developing and maintaining an awareness of the role our school plays within our parishes and the wider community.
