Professional Learning Plan- Christ the King Primary

January 2019 – March 2019

Key questions for consideration:

1. How will you ensure that all staff access the key messages and have access to individual/school priority PL activity?
2. How will you enable the PL Lead to disseminate learning from the regional programme? What form will this learning take e.g. e-learning?
3. How will your PL Lead engage with the collaboration or cluster work?
4. What use will you make of wider purposeful collaborative activity? E.g. LNS, peer review
5. What engagement will learners, governors and parents have in this process?
6. How will you review the progress your school is making towards the success criteria within this plan?

No.	National Mission Link	Planned Activity	Success Criteria	Funding Source	Type of spend	Cost £
1	Developing a high quality education profession Inspirational leaders working collaboratively to raise standards	• Professional standards for teaching and learning programme developed. Initial Inset provided by HT followed by half day per teacher (16 Jan 2019) to establish online PLP and input evidence. Half day per teacher to update PLP (27 March 2019) • SLO – Christ The King engaged in school to school collaborative learning. As a Maths hub we aim to collaborate with other feeder primaries in Corpus Christi cluster to deliver a maths program for MAT maths learners. Each primary to host a specialist unit of work around Maths AOLE requirements and share expert knowledge amongst all feeder primaries.	• Class teachers access Professional Learning to support development against the PTLS • SLO discussions used to self-evaluate and inform school improvement	Professional learning to raise the quality of our teachers	Training / Development Training / development of curriculum and making resources.	9 supply days 9 x 124 = **£1116** 8 supply days 8 x 124 = **£992**

SAMPLE

		• Preparing for new ALN arrangements- ALENco to develop school action plan to feed into cluster action plan (1 day) • A new SRE curriculum to be trialled with the other feeder primary schools for Corpus Christi High School.
