28<sup>th</sup> November 2017

Dear Parents/Guardians,

On behalf of the staff and Governors I hope that you have settled well into the second half of this term and hope that all the families who have recently joined our school are now feeling part of our community. We are a small Catholic Primary School consisting of seven year groups. The 'family' atmosphere at the school is upheld by an experienced, dedicated staff team, who have the interests of the individual child at the centre of what they do.

Part of the Governors responsibility is to ensure that the school environment and building is kept in a good state of repair and developed to reflect the changing needs of the curriculum. The maintenance and improvement of our school building remains a priority for the Governing Body. Indeed, we have managed, with the generous donations and fund raising efforts of all involved with the school, to carry out major works over the years. This work could not have been done without your generosity.

Each year we ask each family to make a voluntary donation to the Governing Body Building & Maintenance Fund. All amounts are very gratefully received but we would suggest a minimum of £15 per family. **Every £15 donation is worth £100 to the Governing Body** when used with grant funding. This grant funding is only available to voluntary aided schools like ours and provides a real opportunity for us to improve our school. We would be grateful if you could hand your donation in to the school office.

We are very grateful to the many families who continue to make their contributions by standing order. If any one would like a standing order form they are available from the school office.

We thank you for your continued support in enabling us to keep the school in good repair and in helping our future plans come to fruition. In doing so you help the children directly in improving the quality of their education.

Many thanks

Priya Parsons  
Chair of Governors
