EMBED — SCHOOLS ARE COMMITTED TO CREATING A SAFE AND INCLUSIVE CULTURE OF WELCOME THAT BENEFITS EVERYBODY, INCLUDING ANYONE IN THEIR COMMUNITY SEEKING SANCTUARY.

SHARE — SCHOOLS SHARE THEIR VALUES AND ACTIVITIES WITH THEIR LOCAL COMMUNITIES.

MISSION TOGETHER

Mission Together Day of Many Colours

Dear Parents,

On Thursday 29th June we will be celebrating the Feast of St Peter and Paul with a school mass in the hall at 10:30. Everyone is invited to attend the mass.

It's also our celebration day supporting the Mission Together Day of Many Colours. We want all the pupils to come to school on Thursday wearing a t-shirt to represent the Mission Together Rosary. I would be wonderful if there were many pupils representing each colour of the rosary

The Day of Many Colours (#DOMC) is a day for children to celebrate their place within God's global family. Based on the five colours of the Mission Rosary, this joyful day encourages children to unite in prayer with their sisters and brothers in Africa; the Americas; Europe; Oceania; and Asia.

You don't often get email from wellbeing@birthpartnerproject.org. [Learn why this is important](#)

Dear children and teachers at Christ the King Primary School,

I would like to take the time to thank you for the beautiful cards you have made for the women we support at The Birth Partner Project. I have shared them with the mums at our drop in and it brought smiles to their faces to see the time and effort the children had put into making them, especially writing words of welcome in their home languages. Wishing you all the best with your school of sanctuary award.

Many thanks
Emma

MAKING LINKS

Birth Partner Project

Thank you to all the parents who donated nappies , wipes , formula milk etc to this project .

We received an email from one of the parents who is involved with the project .

I just wanted to thank you and everyone at Christ the King for the generous donation to the birth partner project. The donations of nappies and baby wipes as well as clothes, toys and food have meant that every mother we support can be given two packets of wipes and nappies to last them over the Christmas period. For many this may seem like a small thing, but for a woman living in poor shared housing or a hotel room with their baby and young children- being given a packet of nappies and baby wipes can make such a difference. Many of the mothers we work with will be spending Christmas Day with their baby in their rooms alone, for them to know that there is another family living in Cardiff who has taken the time to donate a packet of wipes or nappies can truly mean the world.

MAKING LINKS

Our Advent Charities

Last week we had our 'First Friday' non-uniform day. We were all invited to wear our Christmas jumpers and as a school we decided we would use the money to purchase some 'World Gifts' from the CAFOD site. These are a range of virtual charity gifts that help transform the lives of families experiencing poverty. To find out more, just follow the link: <https://worldgifts.cafod.org.uk>

Using stories to learn and improve our knowledge about topics is so important to us. Below are some of the books which we have used throughout our school.

Save the Children UK - HOME

Inspired by the real-life stories of children from Ukraine, Afghanistan, Yemen and Syria, the film tells the story of a small orange circle who feels far from home in a world where everything is purple and triangular.

All are welcome!

Follow a group of children through a day in their school, where everyone is welcomed with open arms no matter their race, religion, or background.
