# CTK Summer Week of Hope

Hi everyone!

As you know, CAFOD is a very special charity in our school and parishes. We regularly raise both funds and awareness for CAFOD's campaigns. It is part of our Catholic life in school, that we strive to make the world a better place for everyone.

CAFOD's latest campaign is called Summer of Hope. It calls for us to help people all over the world who need our help during this Coronavirus pandemic. It is scary enough for us in the UK, where we have access to hospitals and clean water to wash our hands. Imagine living somewhere with a lack of basic hygiene and medical supplies. In Pope Francis' letter Laudato Si, he said:

**"All it takes is one good person to restore hope. "**

Even though school is a little different now, that shouldn't stop us from fundraising to help all Gods family around the world. This summer, like never before, we are called to be signs of hope for our world.

## CTK Summer Hope Marathon

Next week we are asking the pupils to take part in a CTK marathon. Over the week the pupils will be running around the school field to complete a combined distance of 26.2 miles. Pupils who are not in school can also take part. Take a photo of your run or walk and the distance and tweet it to us and **@CAFOD** using the **#ctksummerofhopemarathon** We would love you to support this cause by donating any amount to our Just giving Page.
