Numeracy

We Are Learning To (WALT): Find change from 10p and 20p, and from £10 to £20 by counting up and using bonds to 10 and 20.

Talk about items we saw in the supermarket – how much were they? What change would you get from £10 or £20. Look at the prices of items when you go shopping with your family. Talk about the prices and how much change you would get. Look at coins and notes with your family and how much each is worth. What would you be able to by with £1, £5, £10?

Your child will be able to access games that relate to the learning in the classroom. Could you encourage your child to login at home independently? We have been trying to learn these and use them in class.

This week's Active Learn game is: **Hedgehog Hurry**

Context –

Eisteddfod – bring your Dragon to school if you have made one. Remember to wear your Welsh Costume to school on Monday.

World Book Day – Look for a book you have enjoyed at home that you would like to 'gift' to a friend in class. (Check this OK with your family) If you do not have a book you can donate, we have a few spares in class.

Wrap the book and write a label that gives a description of what the book is about. Why did you enjoy it? If you need paper for this let Mrs Watts know. Bring the book to school on World Book Day for our class lucky dip box.

We are looking for adult volunteers to read a home time story to our class at 3.15pm on World Book Day. If you can spare 15 minutes before school pick up please let us know.

Please return your learning log on Monday.
