

Handwriting and Spelling

We Are Learning To (WALT): Start our letters in the right place when handwriting and sit our letters on the line.

This week we are revising letter sounds, reading and saying them and writing them with the correct formation. We are learning to write the letters with a lead in line for handwriting and beginning to string some letters together. Have a try on the handwriting sheet. Remember to **start each letter from the bottom line. This is tricky, don't worry if you don't get it right first time.**

Numeracy

We Are Learning To (WALT): Compare weights and capacities using direct comparison; measure weight and capacity using uniform non-standard units; complete tables and block graphs, recording results and information; make and use a measuring vessel for capacity.

This week's Active Learn game is: **Seaside scuffle.**

Context -

We have been learning about animals that live in the sea. Find out about an animal that lives on the land. Draw a picture and write a sentence about that animal.

Remember to read for at least 10 minutes every day. Reading books and reading diaries must be returned every day, in your blue book bags.

Please return your learning log on Monday 5th November.

Year 1 Prayer Bag

Each week we will be choosing one child from year 1 to bring home a prayer bag to share with their families. In it you will find a variety of different activities for you to use as part of family prayer time. If your child brings it home please use it together and return the bag, with the unused contents, to school on Monday. Record a reflection in the special book telling us which prayer activity you enjoyed. It would be wonderful if you could Tweet a photograph of your child showing the prayer activity you chose to do.
