

Handwriting and Spelling

We Are Learning To (WALT): Start our letters in the right place when handwriting and sit our letters on the line.

This week we are revising letter sounds, reading and saying them and writing them with the correct formation. We are learning to write the letters with a lead in line for handwriting and beginning to string some letters together. Have a try on the handwriting sheet. Remember to **start each letter from the bottom line. This is tricky, don't worry if you don't get it right first time.**

Numeracy

We Are Learning To (WALT): Double numbers 1 to 5; find 1 and 2 more; count back 1 and begin to find 1 less.

Sing the 'Doubles Rap' to someone at home.

1 and 1 is 2, tap it on your shoe.

2 and 2 is 4, stamp it on the floor.

3 and 3 is 6, watch how our maths clicks.

4 and 4 is 8, put your arms up straight.

5 and 5 is 10, let's go round again!

Context -

This week we have been learning about large sea animals like whales.

What is your favourite sea animal? Draw a picture and write a sentence about it.

Remember to read for at least 10 minutes every day. Reading books and reading diaries must be returned every day, in your blue book bags.

Please return your learning log on Monday 15th October.
