

Handwriting and Spelling

We Are Learning To (WALT): Start our letters in the right place when handwriting and sit our letters on the line.

We Are Learning To (WALT): revise the sounds we can read and say.

This week we are revising letter sounds, reading and saying them and writing them with the correct formation. We are learning to write the letters with a lead in line for handwriting and beginning to string some letters together. Have a try on the handwriting sheet. Remember to **start each letter from the bottom line**.

Numeracy

We Are Learning To (WALT): Find pairs that make 5; subitise to 5; find pairs that make 6; subitise to 6.

Look out for numbers you can read and say at home. On doors, page numbers, timers, dice, games etc.

In year 1 each child has a username and password to access 'Active Learn' one of our school's maths resources, online. You can log in to the website at this address.

<https://www.activelearnprimary.co.uk>

Your child will be able to access games that relate to the learning in the classroom. Could you encourage your child to login at home independently? Look at the log in on the first page of this book.

This week's Active Learn game is: **Rainy Daze**.

ICT - Hwb

Each child in year 1 also has a log in to the 'Hwb' digital learning for Wales online platform. They have access to a number of learning packages on this site provided by Welsh Government. You can log in to the website at this address.

<https://hwb.gov.wales>

Could you encourage your child to log in at home independently and show you some of the aps we have used so far in class. On JiT5 they can use the writing or paint package to retell a story, or in J2 Blast they can play a spelling or maths game.

Remember to read for at least 10 minutes every day. Reading books and reading diaries must be returned every day, in your blue book bags.

Please return your learning log on Monday 1st October.
