You do not need to print everything off, write it out on paper and send a picture via SEESAW

English

Our new unit is called 'The Stone Trolls'. Remember to re-read the story everyday.

You can listen to an audio version of the story here <https://soundcloud.com/talkforwriting/stone-trolls>

You can also create actions for story, just like we did for Stone Soup.

These are my suggested sessions for week 1:

Session 1 -What do the words mean? Pg7.

Session 2 - What do you think of the story? Pg 8.

Session 3 - Reading Quiz. Pg 9

Session 4 - Grammar Games. Pg 10

All the Talk for Writing home learning booklets, with more information about them, can be found here:

The first page asks for a donation, this has already been done by the school.

Maths

We are following the Home Learning work from White Rose Maths. This is an excellent resource which breaks learning down into two parts. There is a daily video clip to watch online. This introduces a concept and gives examples for you to do. The video is then followed up by a daily activity sheet. Another file gives you all the answers.

The video and activities can be done independently or if you prefer, you can watch and work through them with someone at home. The activities can be printed out but if you don't have access to a printer or if you prefer not to print, you can look at the activity on screen and write the answers down on paper.

This week's theme is fractions and problem solving.

Week: Summer term Week 3

You can, if you wish, post pictures of work you have done from here on Seesaw, but don't feel that you need to photograph everything. It might be useful to use a notebook or a file to keep your work together. Please also feel free to get in touch if you would like me to explain anything from here.

Spelling and Handwriting

Here are the spelling words for this week. You can choose whether you want to work on just the 'must', the 'must' and the 'should' or all three lists. The handwriting task is to write sentences using these words in them in accurately sized and joined handwriting.

RE

This week is the beginning of May, during this month we remember
Mary the Mother of Jesus.

We can remember Mary in different ways such as when we say our prayers.

I would like you to try and remember Mary by saying the 'Hail Mary' prayer during the day, this could be when you are saying your morning or evening prayers.

Attached to this week's learning log is a:

- Guide on how to pray using a rosary - you could try to make your own rosary at home, draw a picture, or simply say the prayers.
- Mary asks us to live like Jesus... - how can you live like Jesus.
- When I think of Mary... - What type of person do you think she was? And why? Write an extended sentence and add a picture.

Remember we would like you to send letters to our priests to let them know we are thinking of them at this time when we are unable to attend Mass at our parish churches. Your letter could include a little about how you are keeping busy, it could be a picture or even some jokes for Fr Andy!

Science and Technology

On Friday 8th May it will be 75 years since World War 2 ended in Europe.

We call this 'VE Day' which stands for 'Victory in Europe Day'. When the fighting stopped in Europe people were so happy that they decorated the streets with banners, bunting and ribbons. They had street parties where they played games, danced and sang songs.

Why don't you have your own party to celebrate VE day?

You could:

- Decorate your front door or windows
- Wear red, white and blue
- Make a party hat

Join everyone at 11am in having 2 minutes silence to think about the people who fought for us to be free today

- Have a party in your garden
- Raise your glass at 3pm to toast the heroes of World War 2 who gave us so much.

We'd love to see how you all celebrate this special day- please take a photograph of your VE Day and share it with us on Seesaw!
