

Year 3 Learning Log

Week Beginning: 6th Ebrill 2020

Hello

As with last week, please remember that there are a range of different ways that you can share your work. Uploading it to Seesaw is a great way to show me what you've been doing and I'll try to comment on what you post. Some of you have been sending me other things on Seesaw like pictures of seeds you've planted and videos of you reading.

I really enjoy seeing these and hearing from you. Spending time with a book is relaxing and will support your learning in many different ways. I would really enjoy hearing about what you've been reading.

Any problems please let me know.

Take care

Miss Jenkins
