

Christ the King Primary School Project Grid Spring Term 2020

Project title: Wales and the wider world

Year: 3 & 4

Seven Ways to Learn	Bloom's Taxonomy: Six Thinking Levels					
	Remember	Understand	Apply	Analyse	Evaluate	Create
<u>Verbal</u> I enjoy reading, writing and speaking.	Where do you live? Draw and label a picture of your home.	Create a circle map of all the things of interest in your local area	Use a PowerPoint presentation to show all you know about your local area.	Use a double bubble map to compare and contrast where you live with another part of the world.	Create a flow map to plan, then write a letter / email to someone in a different country, telling them what it would be like if they were to come to Cardiff. <u>Success criteria</u> • Write as if you were speaking to the person face to face. • Include punctuation and capital letters • Begin and finish politely	Design and create a brochure to promote the city of Cardiff or a city in another country. <u>Success criteria</u> • Include facts about Cardiff. • Use pictures. • Use exciting language.
<u>Mathematical</u> I enjoy working with numbers and science.	Show where you live on a map of Wales. How far is Cardiff from Swansea?	Find the school using google earth / maps. Print out and circle the location of the school.	Use pencil and paper, j2e (on HWB) or Microsoft Excel to make a bar graph showing populations (how many people) in different places in Wales.	Explain and describe the positives and negatives of a place of interest in Cardiff that you have visited.	Find out what the average temperature is each month for Cardiff. Which is the warmest or coldest month? Compare temperature with a different country of your choice. <u>Success criteria</u> • Present your findings clearly • Use a table or a graph • Explain your findings.	Create a double bubble map comparing foods in Wales and a country of your choice. Create a menu for a 3 course meal. The menu must use traditional foods from the country of your choice. <u>Success criteria</u> • Decorate your menu with symbols of the country. • Describe the food in an exciting way.
<u>Visual / Spatial</u> I enjoy painting, drawing and visualising.	Use a tree map to classify landmarks in Wales and a country of your choice.	Choose one or two of the landmarks you have noted down in your tree map. Mark where they are on a map of Cardiff / Wales and country of your choice.	Design a poster to advertise a landmark of your choice.	Use your tree map to survey 5 people to find out which landmark they would prefer to visit and why? Make a graph of their answers.	Make a mini-book or visitors guide book about your chosen landmark explaining why you think it would be an interesting place to visit. <u>Success Criteria</u> • Explain why you like it. • Include images. • Consider what others may like about it.	Design and make a new emblem for a visitors badge for your landmark. <u>Success Criteria</u> • Plan your design first to ensure everything fits in the space. • Include the name of the landmark. • Use colour to attract the eye.

Christ the King Primary School Project Grid Spring Term 2020

<u>Kinaesthetic</u> I enjoy doing hands-on activities, sports and dance.	Choose a place you have enjoyed visiting. Create a brace map of what you remember seeing, hearing, smelling, tasting and touching!	Use a flow map to sequence your visit to a place of interest.	Use photos from your visit, or draw diagrams to show a collection of things you found out or did on your visit	Compare and contrast Welsh dancing with Rugby. Analysing the positives and negatives of both sports	Design a game that includes positive and negative information about your visit. Eg Move forward 3 places – going down the mine shaft in the lift was fun! Or, go back to the start – it is dark in the mine and you are scared. <u>Success criteria</u> • Consider how many players it needs • Consider the rules	Make the game that you have designed, and play it with your classmates. <u>Success criteria</u> • Present the game in an exciting way • Include a rule book.
<u>Musical</u> I enjoy making and listening to music.	Use a circle map to note down as many famous writers, artists and musicians as you can. Don't forget your frame of reference!	Choose 2 songs by the same performer, create a double bubble map to show similarities and differences.	Watch a welsh dance and have a go at performing it	Write 10 questions that you would like to ask a famous musician from a country of your choice.	Choose an artist or performer from Wales and evaluate a famous song of theirs. <u>Success criteria</u> • Consider why it is such a famous song • What is good about it? • What would you improve?	Create a new musician and draw and label a picture of them. What will they look like? What will their music be like – modern pop, Welsh folk etc. <u>Success criteria</u> • Explain their best features. • Describe their 'look' • Explain what type of genre they are and why.
<u>Interpersonal</u> I enjoy working with others.	Choose someone to help you list as many phrases from a language of your choice. Write down at least 5.	Practise asking questions in the chosen language at home or school. Use the list that you have made to remind you. Share your phrases with the class.	Use your list of phrases to teach someone at home how to speak the language.	Survey 8 different people about whether they think people in Wales should learn to speak Welsh. Make a note of their answers. What do most people think, and why?	Watch Wales perform in an event (e.g a rugby or football match) and evaluate their performance. <u>Success Criteria:</u> • Include an evaluation of the event, commentators and camera work.	Create a short puppet show in the language of your choice, using simple phrases that you have learnt. <u>Success Criteria</u> • Create interesting characters • Extend your sentences using 'ac', 'ond', or 'achos'
<u>Intrapersonal</u> I enjoy working by myself.	Use a bubble map to help you describe a castle or an important building or place of your choice.	Record and compare Welsh traditions with Traditions of another country of your choice.	Make up questions and answers for a quiz about Cardiff and/or a country of your choice.	Make a presentation examining and explaining the main events of Wales' history.	You have to choose just 5 things to send into space to tell aliens about Cardiff or a country of your choice. What would they be and why? <u>Success Criteria</u> • Consider landmarks, language, food and	Design and make a new mascot for CTK houses (Rhossili, Pendine, Llangrannog or Ogmore) <u>Success Criteria</u> • Create a catchy name. • Consider the house colours.
