

Year 3 Learning Log

Week Beginning: 13th January 2020

Dates to remember:

Thursday 16th January - Digital Safety workshop with Barclays Digital Eagles 6PM.

Tuesday 21st January – Forest Schools session – it will be cold so lots of layers needed as well as waterproof and wellies.

Spellings:

Use these spelling in extended sentences which can be written in your learning log. e.g. It is the bird watch at the end of the month.

MUST	SHOULD	COULD
bird girl first because laugh	birthday taught caught naughty daughter	between thirsty laughter laughable slaughter

Maths

WALT: Rehearse place value in 3-digit numbers, order them on a number line and find a number in between

Please find attached this week Big Maths Beat That! The children will be completing one every Monday. The children will have 60 seconds to answer as many questions as they can. There are questions suitable for all children to access. This is just to practise at home.

History/ Geography

Our topic this half term is 'Land of Our Fathers, we would like to you look at the area you live in. What natural and man-made features can you find. Please show by using either pictures, drawing, writing, maps, etc.

- Please ensure that book bags are brought in every day. Reading books will not be sent home unless the book bag and reading diary is in school.
- PE is on Tuesday and Thursday.
- Pencil cases – if children would like to bring their own pencil cases to school **only 1 pencil case** should be brought in. Could you also remind children they should not be swapping or giving away pens, pencils, etc to each other as this sometimes leads to confusion and misunderstanding.

Many thanks.
