

Metres and centimetres

Write the total number of centimetres.

1 1 m 24 cm

2 2 m 59 cm

3 1 m 7 cm

Add these lengths.

4 38 cm + 43 cm =

6 87 mm + 35 mm =

5 16 m + 19 m =

Measure at home challenge!

- 7 Measure three little things in your home in millimetres.
Draw them on the back of this sheet. Write their measurements.

Use a ruler so that you measure accurately.
