

Reception Learning Log 6th July

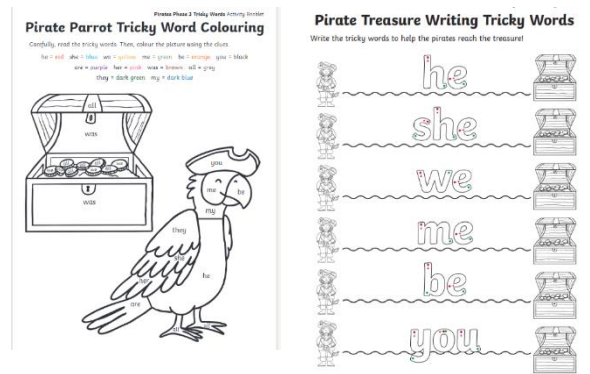

Hi Everyone, your story books this week are:

I will read these stories this week on Seesaw. If you are going into school, I have sent a video into school for you to listen to the story again in the classroom.

Tricky Words

This week I have included a pirate tricky word activity booklet

Blending and spelling Words for the week

All these words use the digraphs we have already worked on. Read each word separating each sound. Try to practice them each day. Then get an adult to read out each word and write it out in your home learning book. I have highlighted the digraph in red.

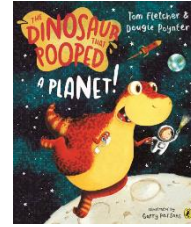

rain	goat
loud	coin
farm	shout
out	moon

Reception Learning Log 6th July

Weekly Writing Lessons

This week we are writing sentences linked to **The Dinosaur that Pooped a planet.**
We will be creating and writing about our own planets.

I will post a video on Seesaw on Monday.

Reading

Well done to everyone who has logged on to Active Learn. I am delighted to see how many books you have read each week. **Try to log on and read two books a week.**

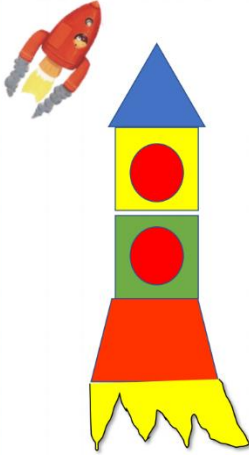

Numeracy Activity 1 - Using doubles to make a rocket

We have worked a lot on doubles this year. I want you to either use the shapes that I have attached on the class pager or draw your own shapes to create your very own rocket. You can only do this if you roll a double on the dice.

Rules of the Game

Starting with a Story

Talking Together

You will need 2 dice.

Roll the dice. See your double number.

Look at which part of the rocket you can draw. The winner is the first person to draw a complete rocket.

You will need to roll a six to start.
(On either of your dice.)

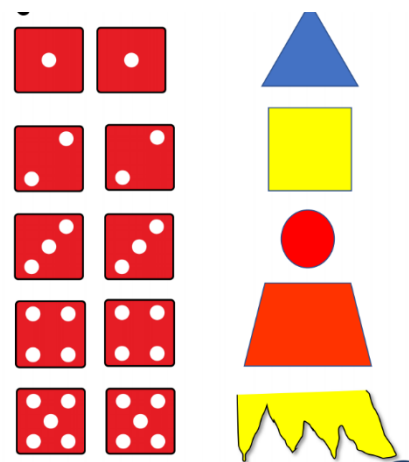

Figure 1 Which double matches which rocket part

Reception Learning Log 6th July

Numeracy Activity 2 Use 3D shape to make a rocket

We have worked on 3D shapes a few weeks ago. Find some 3D shape items, like toilet and kitchen roll tubes around your house to make your own space rocket just like Danny's. I am looking forward to seeing your finished rockets.

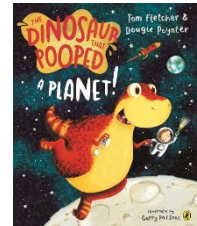

Starting with a Story

Talking Together

Gather things from around your house to make your own rocket. Tubes, cups, cereal boxes and think about the shapes you would want to create. (You could use any objects around your house like before.) Danny has a lot of different shaped rockets to choose from!

White Rose Maths

Here are some images to help you make your rocket

Reception Learning Log 6th July

Follow the link below to complete some more numeracy activities linked to The Dinosaur that Pooped a Planet

<https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/07/Day-3-The-Dinosaur-that-pooped-a-planet.pdf>

<https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/07/Day-4-The-Dinosaur-that-pooped-a-planet.pdf>

I have included some White Rose Math's worksheets on greater and less than linked to last week's numeracy activities and video. Choose which activities you complete.

Compare numbers

1 a) Tick the greatest number.

10	fifteen
nine	twenty

b) Tick the smallest number.

1 ten and 6 ones	twelve
10 + 8	13

2 Write the missing phrase.

less than	greater than	equal to
-----------	--------------	----------

a) 12 is _____ 15

b) 15 is _____ 13

c) 20 is _____ twenty

d) 1 ten and 3 ones is _____ 14

2 Teddy and Amir have these cookies.

Teddy 

Amir 

Who has the most cookies? _____

How do you know?

Complete the sentence.

_____ is more than _____

3 Write greater or less to complete the statements.

 is _____ than 

 is _____ than 

 is _____ than 

RE

In school this week you are going to be running part of the CTK marathon. Each class are going to be running around the school field. We are trying to run the marathon distance of 26.2 miles. This is to support CAFOD's Summer of Hope. A just giving page has been set up for you to donate any amount. I have included a letter on our class page and information was in the school newsletter on Friday.

Any one not in school including me can still run, tweet your distance photos to us and @CAFOD #ctkmarathonofhope

Reception Learning Log 6th July

Context - Activity 1 Making a healthy meal For Danny

Last week you sorted healthy and unhealthy food, some of you sent me a picture of your healthy meal, below you will see my healthy meal that I posted to you. This week I want you to pack Danny's lunchbox with healthy choices. I have seen your lunchboxes in school, they are super healthy, Mrs. Backhouse and I love them. Draw some healthy food in Danny's lunch box and label the food.

Starting with a Story Reception

Danny's Dinner
Danny forgets to take his dinner for him and Dinosaur!
Help Danny pack his lunchbox with some healthy choices so he doesn't go hungry!

Challenge - Make a healthy meal using Welsh

I will post a video on Seesaw for Picnic Tedi Twt

I have included some Welsh food for you to colour, cut out and stick in the picnic basket for Tedi Twt.

Reception Learning Log 6th July

Let's get creative

Use your handprints to make some dinosaurs of your own.

Science/Welsh and Forest School Challenges

Don't forget the Big Science project, its posted on our class page.

I have attached a note from Mrs. Cowley about the phrase of the week.

Each Monday there will be a new Forest School challenge on the school twitter. When you have completed the challenge post it on Seesaw and on the school twitter **ctkprmc Cardiff** so Mrs. Clemson can see it.
