

Hi everyone, your story book this week is:

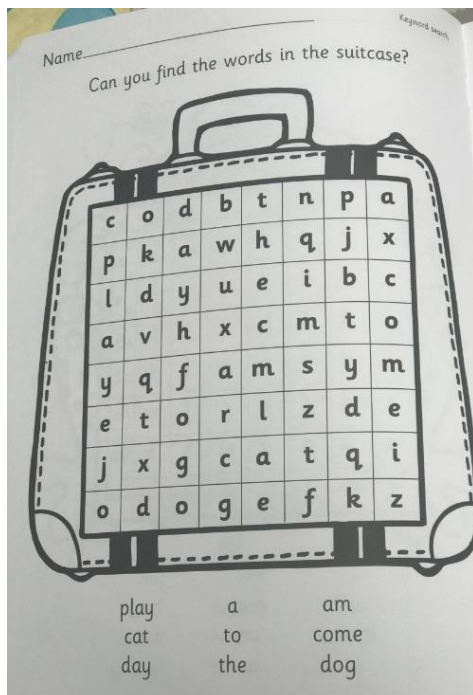

Pirates love underpants -

Books Alive! presents a reading of Claire Freedman and Ben Cort's hilarious addition to the Underpants series full of pirates, sharks and treasure. Listen to the story and talk about your favourite part with your family. Would you like to be a pirate? Why / why not?

https://youtu.be/Vd8_Y1bEzA8

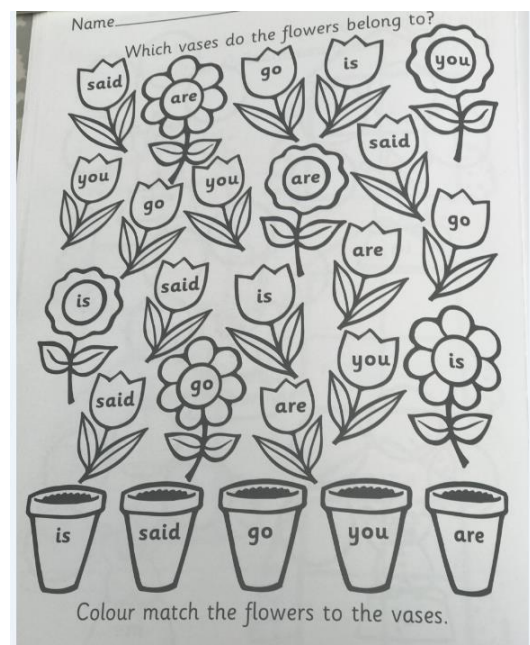

Tricky Words

Activity 1 - Find the tricky Words in the word search, colour them carefully.

Activity 2

Read the tricky words and match them to the flowerpot.

Blending and spelling Words for the week

All these words use the digraphs we have already worked on. Read each word separating each sound. Try to practice them each day. Then get an adult to read out each word and write it out in your home learning book. I have highlighted the digraph in red.

pain	pie
sport	bee
rain	goat
moan	nail
boat	soap

Weekly Writing Lessons

We have finished phonic lessons so I thought I would do some sentence writing activities with you. This week we are writing sentences about pirates **I will post a video on Seesaw on Monday**

Reading

Bug Club

Well done to everyone who has logged on to Active Learn. Some of you have read so many books, I am delighted. **Try to log on and read two books a week**

Numeracy

This week we are going to revisit money. We are going to use our knowledge of coins and our counting back and counting forward skill to help work out the totals and change.

Activity 1 - Add together the pirate items to find the total.

Challenge Can you count back to find the change from 20p.

I will post a video of this on Seesaw on Monday to help you. We will use a number line to count forwards and backwards.

Activity 2

Use the number line to find the answer by counting back. Colour the pirate using the key.

Pirate Change

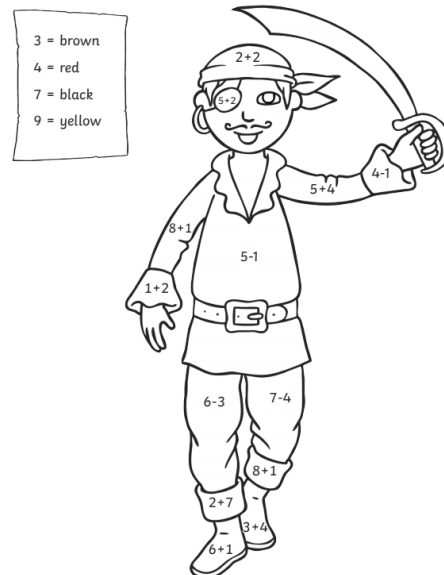

Paying with 20p

	Total?	How much change?
 8p  5p		
 6p  7p		
 9p  10p		
 5p  7p		
 3p  15p		

Pirates Colour by Number

Addition and Subtraction up to 10

Solve the calculations in the picture to work out what colours they should be!

Activity 3

Complete the missing number bond for the pirate underwear. Use your number line to count on.

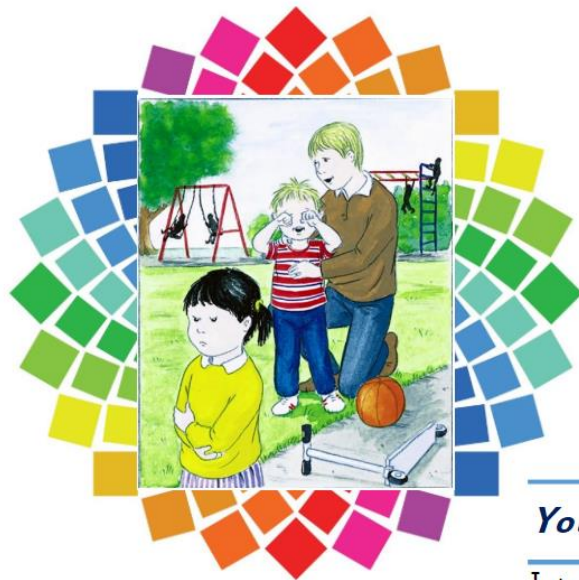

Mixed Number Bonds
Can you find the missing number bond to make the number on the underpants?

 5 10	 3 7
 1 3	 4 8
 2 4	 4 5
 4 6	 7 9

RE - My circle of friends

You can write the words in the circle of friend picture that I have attached, or you can draw a picture of your friends and write the rule in the middle.

Jesus' rule for friends.

A New Rule

Share the story about A New Rule and talk about it. Talk about how friendships can be broken. How do we make friends again when we fall out?

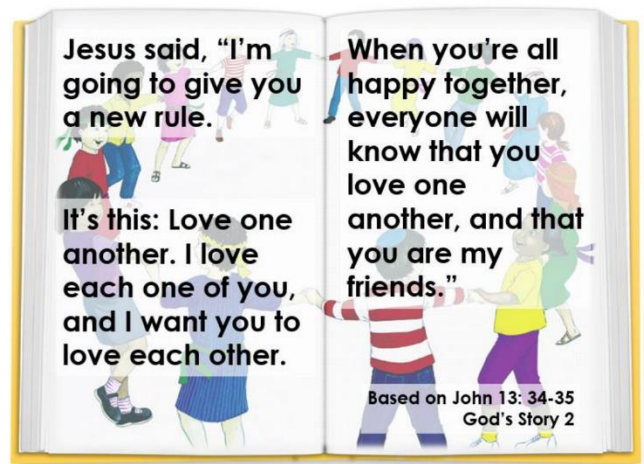

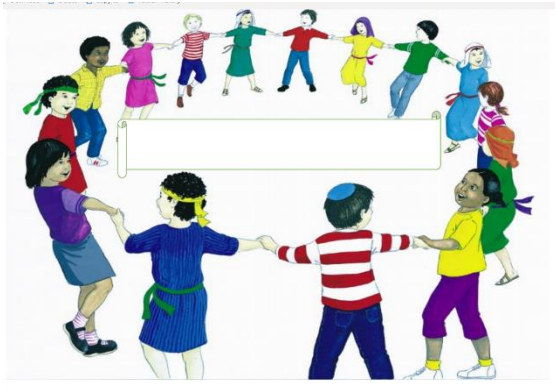

Questions

- Q What is Jesus' rule?
- Q What will happen when you are happy together?
- Q Why do you like your friends?
- Q What makes a good friend?
- Q What will help to mend the circle?

Your Task:

Introduce saying sorry and what it means to forgive each other so we can mend broken friendships. Ask children to draw a circle of friends and write the new rule in the centre.

Circle of friends

Wellbeing

Click on the link below to open Cosmic Kid's Pirate Yoga. I'm sure you will all have lots of fun doing this!

- [Cosmic Kids Yoga](#)

Can you make your own special treasure chest using an egg carton and fill it with treasure, jewels and coins? See pictures below for ideas.

Science/Welsh and Forest School Challenges

Don't forget the Big Science project, its posted on our class page.

I have attached a note from Mrs. Cowley about the phrase of the week and the Welsh weekly Challenge.

Each Monday there will be a new Forest School challenge on the school twitter. When you have completed the challenge post it on Seesaw and on the school twitter **ctkprmc Cardiff** so Mrs. Clemson can see it.
