

Hi everyone, your story books this week are:

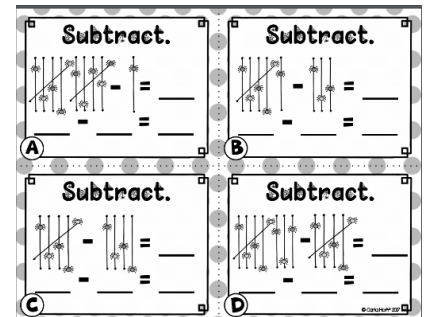

Numeracy

This week we will be working on counting back, taking numbers away. We will also be working on finding halves (this links to the work on doubles.)

I will post a video on Seesaw to help you with the take-away/counting back activities.

On **White Rose Math's** you will find videos for other activities linked to **The Very Busy Spider**

Activity 1 - Take Away /Subtraction with spiders. Use the tally charts (we have worked on these before) to take away each number. Work out the tally first and then take away to find the answer.

Activity 2 - Click on the link below to play the dice game to make a spider. The winner is the first person to make a spider. Then you can use the nursery rhyme Incy Wincey Spider to help with taking away numbers from 10. Does the Busy Spider have the right answers?

<https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/05/Day-3-The-very-busy-spider.pdf>

Starting with a Story Reception

Talking Together

Roll the dice (remember how we made one from a tissue cube. There is also a roll dice app.) Look at which part of a spider you can draw. The winner is the first to draw a complete spider.

	body		eye
	leg		feeler
	head		spinnerets

White Rose Maths

Starting with a Story Reception

Talking Together

Spot the mistake.

The very busy spider caught 6 flies.
Then she ate 2.
Now she has 2 left.

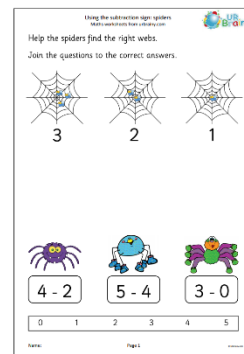

Is she correct?

White Rose Maths

Activity 3 - Take away/counting back

Help the spiders find the correct web. Use the number line to count back and then match the answers to the numbers on the web.

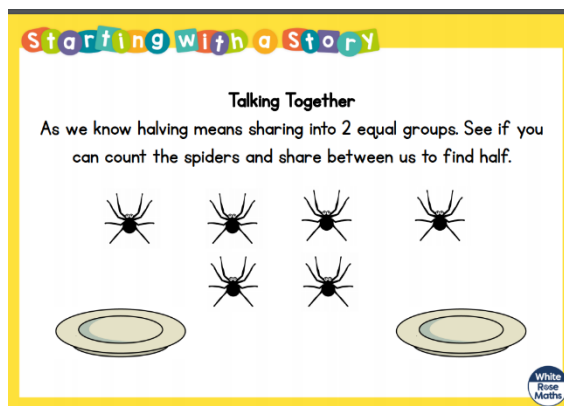

Activity 4 - Doubling and Halving

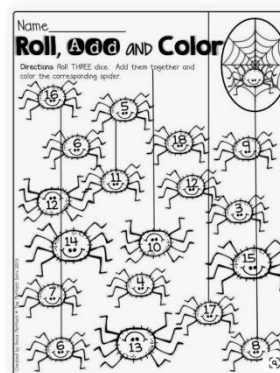

Click on the White Rose Math's Link below to complete some halving activities. I have attached them also for you to print. If you go on the early years section of White Rose Math's you can watch a short video to help.

I have also put a video to help you on Seesaw.

<https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/05/Day-4-The-very-busy-spider.pdf>

Activity 5 - Roll 3 dice and add them together or you could just roll the dice 3 times. Count each spot when you roll e.g

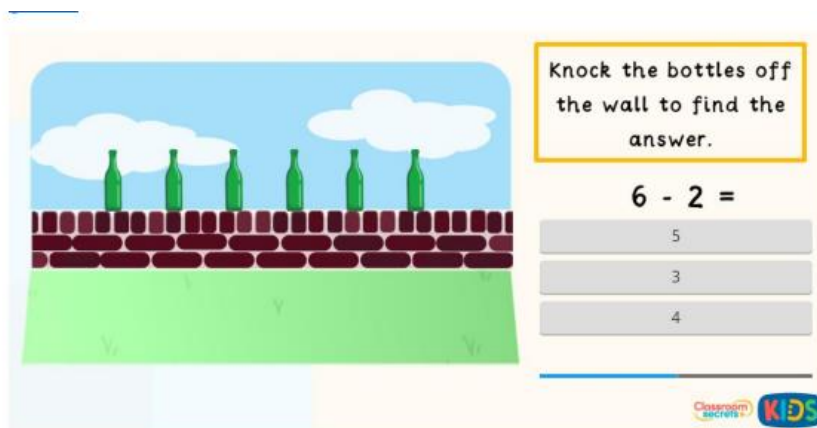

Activity 6 - This is to revisit money activities from last week.
Draw the coins to finish the amounts.

Count how much the coins are worth. Then draw more coins to make the totals shown. 1p, 2p and 5p coins only.	
	8p
	9p
	10p
	9p
	12p

Maths Games

Click on this link below and it will take you to the classroom secrets website. You will need to register but there are some good games to play

<https://kids.classroomsecrets.co.uk/resource/reception-taking-away-green-bottles-game/>

Active Learn School Jam Maths Game

I will get codes for all pupils for this new weekly maths game. I will send the codes as soon as I have finished setting up the class.

Literacy

Reading

Well done to everyone who has logged on to Active Learn and read some of the books I have allocated. **Remember when you see the green bug icon, press it and there is a question for you to answer. Make sure the bugs eyes are closed at the end By doing this you will register that you have completed the book and it will show up on my page**

Tricky Words

I will post another video on Seesaw linked to Tricky words. This week I want you to concentrate on:

was	said	to
all	are	do

I would like you to practice reading these words, we have worked a lot on these in class. You can also practice spelling these words. Use your home learning books to write a sentence for each word. Remember to:

- start your sentence with a capital letter
- start your letters in the correct place
- use finger spaces

Weekly Phonic Lessons

This week we will be focusing on these digraphs ai, oa, ie. **I will post a video on Seesaw for each of these digraphs.**

Wednesday - ai

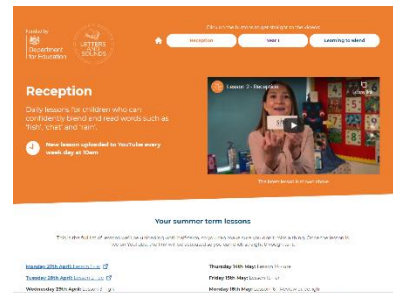

Friday - oa

Monday - ie

You can still log into the daily phonics lessons on You tube. Some sounds will be repeated but its great to keep going over your sounds.

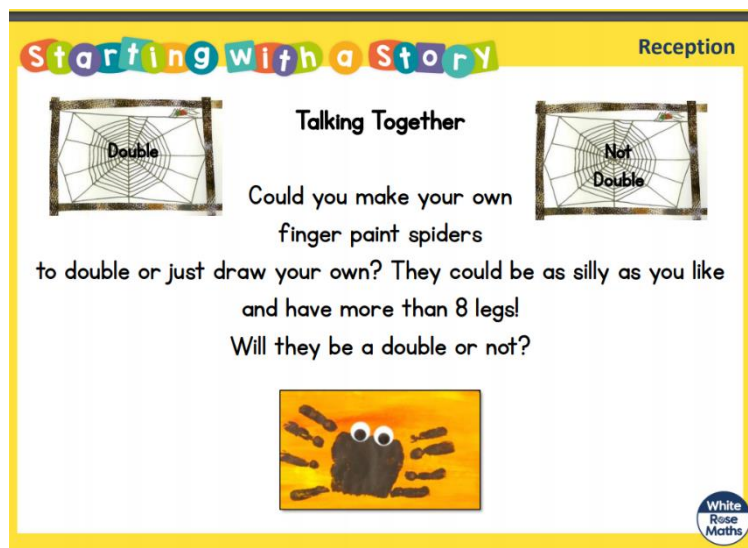

- **Daily Phonic Lessons**

Context - Spider Crafts

Make a spider using your handprints. You could write the double number sentence to go with your spider. You could be even more creative and use some craft materials you have around the house to make your own spider craft. Send me a photo of your craft on Seesaw.

RE

RE Pentecost is often called the '**birthday of the Church**'. The feast celebrates the coming of the Holy Spirit to the disciples. The Holy Spirit is a new friend that Jesus had promised to send them. With a new friend the disciples felt full of joy and happiness. They were no longer frightened and were able to go out and share the Good News with others. So many people heard the good news about Jesus on that day and that is why it is called the birthday of the Church. The Holy Spirit is our friend who guides and helps us. We cannot see the wind, but we can feel it. In

the same way, we cannot see the Holy Spirit, but we can feel the joy and happiness the Holy Spirit brings to us. Children can make streamers with the words 'Share the Good News of Jesus with everyone'. Look at this picture

What do you see in the picture?

What do you think the people are enjoying?

Activity

Balloon template - Use the balloon template to draw pictures/write about how they share and celebrate the Good News that Jesus is alive and sent the Holy Spirit to be our friend. The template should be headed, "We celebrate the Good News by...."

You could make your own dove. Use a paper plate like the one in the picture.

Remember to post your work to me on Seesaw, watch my videos also on Seesaw and to have fun and keep learning. I miss you allxxxxx
