Farm activity Booklet

I have attached the booklet, there is one math's activity that I am not expecting you to do. I am sure you can work out which one. Perhaps you could do this with an adult to find the hidden farm picture.

RE

Canon Isaac of St Teilo's is going to celebrate a mass online for the pupils of Christ the King. It would be lovely if you could write a prayer to be included in this mass. This can be a family effort. One from each class will be chosen to be read out at mass.

Ideas for themes for your prayer could be:

- Thanking NHS workers and the key workers who are working hard to keep us all safe.
- Asking for strength and courage for those who are poorly at this time.
- Asking for continued faith and hope for the families who have been affected by illness or loss.

We also thought it would be lovely to send letters to our priests to let them know we are thinking of them at this time when we are unable to attend Mass at our parish churches. Your letter could include a little about how you are keeping busy, it could be a picture or even some jokes for Fr Andy! You could post your letters on your daily walk.
