

CTK Reception Websites and Apps 2024-5

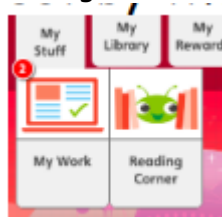

In Reception we use a variety of websites and apps to support teaching and learning. Here is a list of those most frequently used.

Website or App name and purpose.	Link
 Used to share pupil learning with families, through the pupil journal. Pupils have their own account to complete home learning tasks. Parents have their own account to message the class teacher and view items shared on the pupils journal.	https://seesaw.com/ The class teacher will share a QR code or email link with families to link with the pupil learning journal. The pupils will join their own home learning account with a separate QR code.
 We use White Rose Maths as our main maths scheme for teaching and learning. There is a useful 'One Minute Maths' app that is free to download. There are also free videos to support the weekly skills being taught free to parents and a 'Maths with Michael' series of videos that show the strategies and systems we use to teach early number.	https://whiteroseeducation.com/1-minute-maths#download https://whiteroseeducation.com/parent-pupil-resources/maths/maths-with-michael#watch
 Active Learn Bug Club. An online library of scheme books to support	https://www.activelearnprimary.co.uk/ Tips: Check the 'Will it work on my computer' link before you try to log in. 

the teaching and learning of reading and a wide range of story and information books to support research in learning contexts. Username and passwords will be sent home in the spring term.

School code:g39r

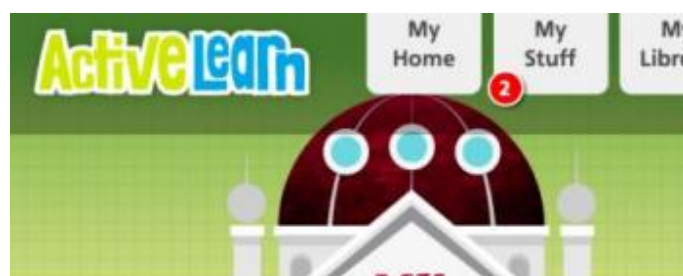

Click on My Stuff to access 'My Work' these are books set by the teacher at the appropriate reading level.

Click on Reading Corner for a library of personal interest / topic books that you are free to choose from.

At the end of each book there will be a comprehension question or phonic activity for the children to complete. Access this by clicking on the Bug with the eyes open, once the question has been answered correctly the bug eyes will close and a new book will be released into the 'My Work' section. Completed books will then be moved to 'My Library'.

Monster Phonics

Monster Phonics will be used as the main scheme for teaching and learning Phonics for reading and spelling from September 2024

<https://monsterphonics.com/phonics-support-for-parents/>

There are many resources to support parents on the Monster Phonic website. There is also a monster phonic parents support FaceBook page and an X account @monsterphonics. You can also subscribe to the parent information newsletter.

<https://ictgames.com/>

ICT games - an online platform for literacy and numeracy games. This is regularly used in class to support skills being taught . In the summer term a link from this website will sometimes be shared on Seesaw for children to access a game chosen by the teacher.

Top Marks maths website is used for numeracy games. This is regularly used in class to support skills being taught. In the summer term a link from this website will sometimes be shared on Seesaw for children to access a game chosen by the teacher.
