

Year 5 Learning Log

Week Beginning 22nd June

Bore da Blwyddyn 5!

I'm sure that you're all aware that our school is reopening from next Monday for one visit per week (3 visits) for small groups of children. This will be a chance for you to 'check in' with us and with each other. I hope that you read the 'Frequently Asked Questions' which were on last Friday's newsletter on the school website, so that you have an idea of what to expect if you are returning to school.

Some are unable to return to school at the moment. If this applies to you, your parents have explained to you the important reasons why home is the best place for you just now. Please don't worry about missing out though- you will be included in some of the school activities!

Keep sending your fantastic videos, photos and messages on Seesaw- it is a great online record of our experiences over the past months.

Here are the Home Learning tasks for this week

BIG SCIENCE HALF TERM

I have really enjoyed watching the Science videos posted so far on Flipgrid. If you have posted one, you need to watch my response video and follow my suggestions.

If you haven't done it yet you need to:

- Look at the suggestions on the science grid (or choose you own investigation)
- Decide what you are going to investigate
- Set up a FAIR TEST
- Make a prediction about what you think may happen and WHY you think that
- Do the investigation (you may need to repeat the investigation to get a RELIABLE result)
- Make a chart/table/list etc of your results (you could use J2 data if you like)
- Explain what happened- were you surprised by your results? What did you discover? What do you want to find out next?

Spelling focus positive adjectives

MUST	SHOULD	COULD	Common words
amazing fantastic wonderful terrific awesome	impressive spectacular astonishing incredible astounding	breathtaking sensational extraordinary unbelievable envious	

Please select one from each column to use in a sentence.

Maths

This week's topic (wk 9 22nd June) is about decimals

The video links and workbooks are on the Class Page.

Do NOT download the answers until you have completed the worksheet and check your work with your parents

Lesson 1 - Subtracting decimals with the same number of decimal places

Lesson 2 - Subtracting decimals with a different number of decimal places

Lesson 3 - Multiply decimals by 10, 100, 1000

Lesson 4 - Divide decimals by 10, 100 and 1,000

Lesson 5 - Activelearn/J2Blast

You may have already completed the workbook for Lessons 1 & 2 from previous weeks- if you have, there are alternative workbooks on the topic of reading data from tables. The videos for Lessons 1 & 2 are below:

Lesson 1- read and interpret tables <https://vimeo.com/430336159>

Lesson 2- Two-way tables <https://vimeo.com/430336386>

If you need to try the maths tasks from another year group, that is fine- you can find the WRM on their Class Pages.

Well done to all of you who are working hard on your Activelearn account and also J2Blast!

Take a look on Y5 Home Learning Teams, where I have posted a couple of examples of the ways you can monitor your progress on J2 Blast

Talk for Writing Wk 1: 'Wonderful Wizards!'

This week we are beginning a new text:

<https://www.talk4writing.com/wp-content/uploads/2020/06/Y5-Wizards.pdf>

Have you ever wondered what it's like to be a young wizard?

What if you found out you actually were one? Let's imagine you are!

- What would you look like?
- What would you wear?
- What special powers would you have?

Here are suggested sessions for this week:

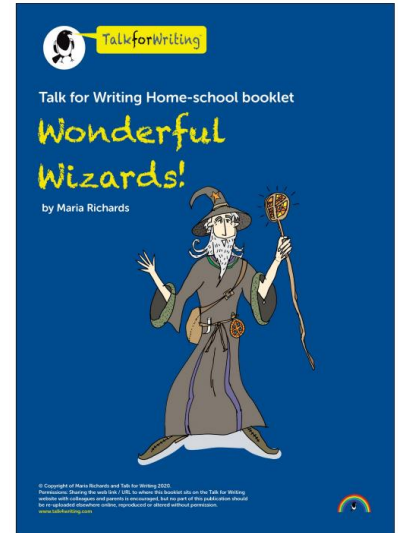

Session 1: (pg 2-3) Top Trumps Wizards

Session 2: (pg 4-7) Let's Go to Wizard School!

Session 3: (pg 8-9) Wizard Words

Session 4: (pg 10-13) Comprehension & Persuasive Writing

Session 5: (pg 14-15) Imperatives ('bossy' verbs) & Alliteration

Cymraeg

This week it would be great if we could have lots of videos from Y5 posted on Flipgrid. I've had a go - it's not perfect but it was good for me to practise my sentence patterns- so if I can do it, you can too!

Here are some sentence starters to help you:

Dw i'n gallu/dw i ddim yn gallu - I can/can't

Dw i'n mwynhau/ddim yn mwynhau- I enjoy/don't enjoy

Ar dydd _____ dwi'n mynd i'r- On (day) I go to_____

Es i i'r - I went

Fy hoff (noun) ydy -my favourite_____ is

Dwi'n gwyllo- I watch

Gwelais i -I saw

Achos -because

Ond- but

RE: Freedom & Responsibility- The Beatitudes

The Beatitudes

Absolution

Matthew's Gospel collects Jesus' teaching together in what is called the Sermon on the Mount. Matthew's Jewish readers would remember how Moses brought God's law (rules) to the people. Matthew wants his readers to see that Jesus is calling people to a new way of living. Read Jesus the Teacher (see below). These eight 'blessings' are called the Beatitudes.

Questions

- Q Which Beatitude do you like best and why?
- Q In what way are the Beatitudes different from the Ten Commandments?
- Q How does Jesus want us to live?
- Q How will we be rewarded for living in this way?

Your Task:

Try to write your own modern version of the Beatitudes reflecting the lives of Christians today. You could use Powerpoint, a storyboard or design eight Whatsapp/Instagram messages with text and pictures.

Jesus the Teacher

Matthew's gospel collects Jesus' teaching in what is called the Sermon on the Mount. (Chs 5-7) Matthew's Jewish readers would remember Mount Sinai and how Moses brought God's law to the People. In Matthew's gospel Jesus says very clearly, "I have not come to do away with the Law or the teachings of the prophets." Matthew wants his readers to recognise Jesus as the 'new Moses' calling all people to a new way of living.

A NEW WAY OF LIVING (based on Matthew 5: 1-17)

When he saw the crowds Jesus went up the mountain and sat down. His disciples gathered round him and this is what he taught them.

You will be blessed when you have an open and generous heart.

When you share what you have with other people

God will be very close to you.

You will be blessed when you reach out to those who grieve.

When you make friends with those who are sad and lonely,

God will be there to comfort you.

You will be blessed when you are gentle.

When you treat others with kindness and patience

God will give you all you need.

You will be blessed when you work for justice.

When you respect and stand up for the rights of others,

God will give you life to the full.

You will be blessed when you forgive others and don't hold grudges.

You will find God ready to forgive you.

You will be blessed when you desire what is good.

When you always search for what is good, you will find God in all around you.

You will be blessed when you are a peacemaker.

When you try not to let a quarrel even begin or are first to say sorry

you will be known as children of God.

You will be blessed when you are made fun of for doing what God wants.

When people laugh at you for living in God's way,

know that you are very close to God.

Remember what happened to so many of God's messengers.

Rejoice and be glad.
