## Partial School Closure

**Dear Parent/Carer ,**

I am sure that everyone is aware that Cardiff is currently under an amber weather warning for extreme heat and this will be escalated to a rare red weather warning for Wednesday and Thursday this week. The health, safety and wellbeing of our school community is of paramount importance. We have carried out a risk assessment and have already put in place a number of mitigations to combat the extreme heat. However, despite these, it will be necessary to make further adjustments for the next two days.

Therefore, I write to advise you of a partial school closure for both Wednesday 24<sup>th</sup> and Thursday 25<sup>th</sup> June. The school will close at 12pm on both days so that pupils and staff are not on the school site prior to the forecasted highest temperatures of the day. The school timetable will ensure that curriculum content will be covered in the morning and grab bags for lunch will also be provided before the children leave.

We do not make decisions to close the school lightly. We trust that you understand the unprecedented nature of this weather warning means that we must take proactive steps and do so in the best interests of the safety and wellbeing of both pupils and staff.

School will be fully open as normal on Friday 26<sup>th</sup> June.

Thank you for your understanding and co-operation .

***Susan Miles***
