We are pleased to be holding an Early Years Sports Event for Reception and Nursery pupils on the morning of Tuesday 16th June. Parents are invited to make their way onto the school field after drop off where the PFA will be serving refreshments. Races will run in the following order:

Reception Sprint races

Nursery Sprint races

Reception Obstacle course races

Nursery Obstacle course races

Parents race

Toddler race

We cannot give exact timings due to the nature of working with young children. We look forward to welcoming our families back and hope that we have a fun filled morning of sport!

RSE (Relationships and Sexual Education)

Foundation Phase : Nursery—Year 2

In this early stage of formation, much of the teaching and learning about relationships is based on forming habits of behaviour that look after the self but also show respect and courtesy for others, such as tidying up and saying “thank you”. Forming these habits physically is key to later developing a mind open to the respect of self and the respect of others. However, it is also important to remember that young children are filled with awe and wonder at the world around them and they can be encouraged to recognise that they are a wonderful part of Creation too. They can also listen to stories of Jesus and draw conclusions about how he behaved with kindness, mercy, compassion and courage.

Keystage 2 : Year 3—Year6 (Username : christ-king-cf14, password: everest-5a

- *Jesus teaches us to know God as Father and one of the deepest realities and metaphors of the Christian faith is experiencing God as a loving parent, forgiving and merciful.*
- *Children should reflect on how they choose friends and know it is right to tell (admonish) someone who is behaving in an unfriendly way.*
- *Children will be beginning to form their own ideas about their faith and be aware of the faith of others. Faith directs the way we behave and the Catholic faith describes a particular, sacramental nature of our relationship with God. Marriage is one of those sacraments. Jesus teaches about marriage and God’s plan for marriage, right from the beginning of Creation*
- *Community is not just a “group” of people, it is a group of people with common aims. What is everyone in the school working towards? How is Jesus part and foundation of the community?*
- *Probably the most successful approach to developing an understanding of puberty as part of RSE, in addition to understanding the biology, is to invite children to notice the wonder of how the body develops.*

We teach RSE throughout the year in various contexts and subject areas as relationships are key to everything that takes place in school . At this time of year in the older age groups of Y5 and Y6 we discuss bodily changes in Y5 and reproduction in Y6 . If parents would like to look at the materials that we use from our scheme “Life to the Full” which is part of our Ten Ten resource , they can access it below. Our Y5/6 lessons will take place week beginning 29.06.26-03.07.26.

SUPPORTING CARDIFF FOODBANK - Please see attached flyer

We will be supporting Cardiff Foodbank at our **Sports Day** this year through a special initiative: *"Bring a Tin, Watch Them Win!"*

Since last Harvest, Cardiff Foodbank has provided food parcels for **10,239 people**, including **3,583 children under the age of 16**. Every donation – no matter how small – makes a real difference. However, food supplies often run very low over the summer holidays, just as many families face increased pressure and need extra support.

We invite families to **bring a tin or non-perishable item when attending Sports Day**. If you are unable to bring something on the day, we will also be collecting donations **throughout next week**, so children can bring items into school at any time.

Thank you, as always, for your generosity in supporting those in need in our local community.

**Bring a tin,
watch them win!**

**Help support Cardiff Foodbank on Sports Day
by bringing an item from their 'most needed' list**

**Our Sports days
are:
Nursery and Reception
Tuesday 16th June**

**Y1 - Y6
Tuesday 30th June**

Most needed items

- Tinned meat
- Tinned potatoes
- Tinned tomatoes
- Tinned fruit
- Tinned custard
- Rice pudding
- Tinned custard
- Tinned fish

This Week's Attendance

Parents are reminded that any type of absence from school must first be requested by email to Mrs Miles at christthekingprm@cardiff.gov.uk.

For safeguarding reasons any child arriving late at school must be accompanied to the KS2 playground gate and handed over to a member of staff by an adult.

If your child is unwell, a telephone absence message or email should be left before 9.30am giving the nature of the illness/reason for absence.

Class	Attendance	Minutes Late
Reception	93.45%	12 mins
Year 1	98.21%	15 mins
Year 2	92.76%	3 mins
Year 3	96.33%	14 mins
Year 4	96.21%	24 mins
Year 5	98.67%	1 hour 33 mins
Year 6	97.74%	50 mins

Catholic Life of the School

This morning, we were delighted to welcome Mrs Tucker from the *Cash for Kids* charity, which we proudly supported through our recent non-uniform day. It was a wonderful opportunity to reflect on the Catholic Social Teaching principles we have put into action—particularly our call to solidarity and concern for the common good. Through our generosity, we were reminded of the importance of thinking of others and supporting the vital work carried out by charities within our community and beyond.

Celebrating Good Work

Nursery

Nursery have absolutely loved taking part in the immersive experience of the sensory story Wow said the owl by Tim Hopgood. They ate marshmallow fluffy clouds, smelt rosemary green leaves and wrapped up warm in the warm sun

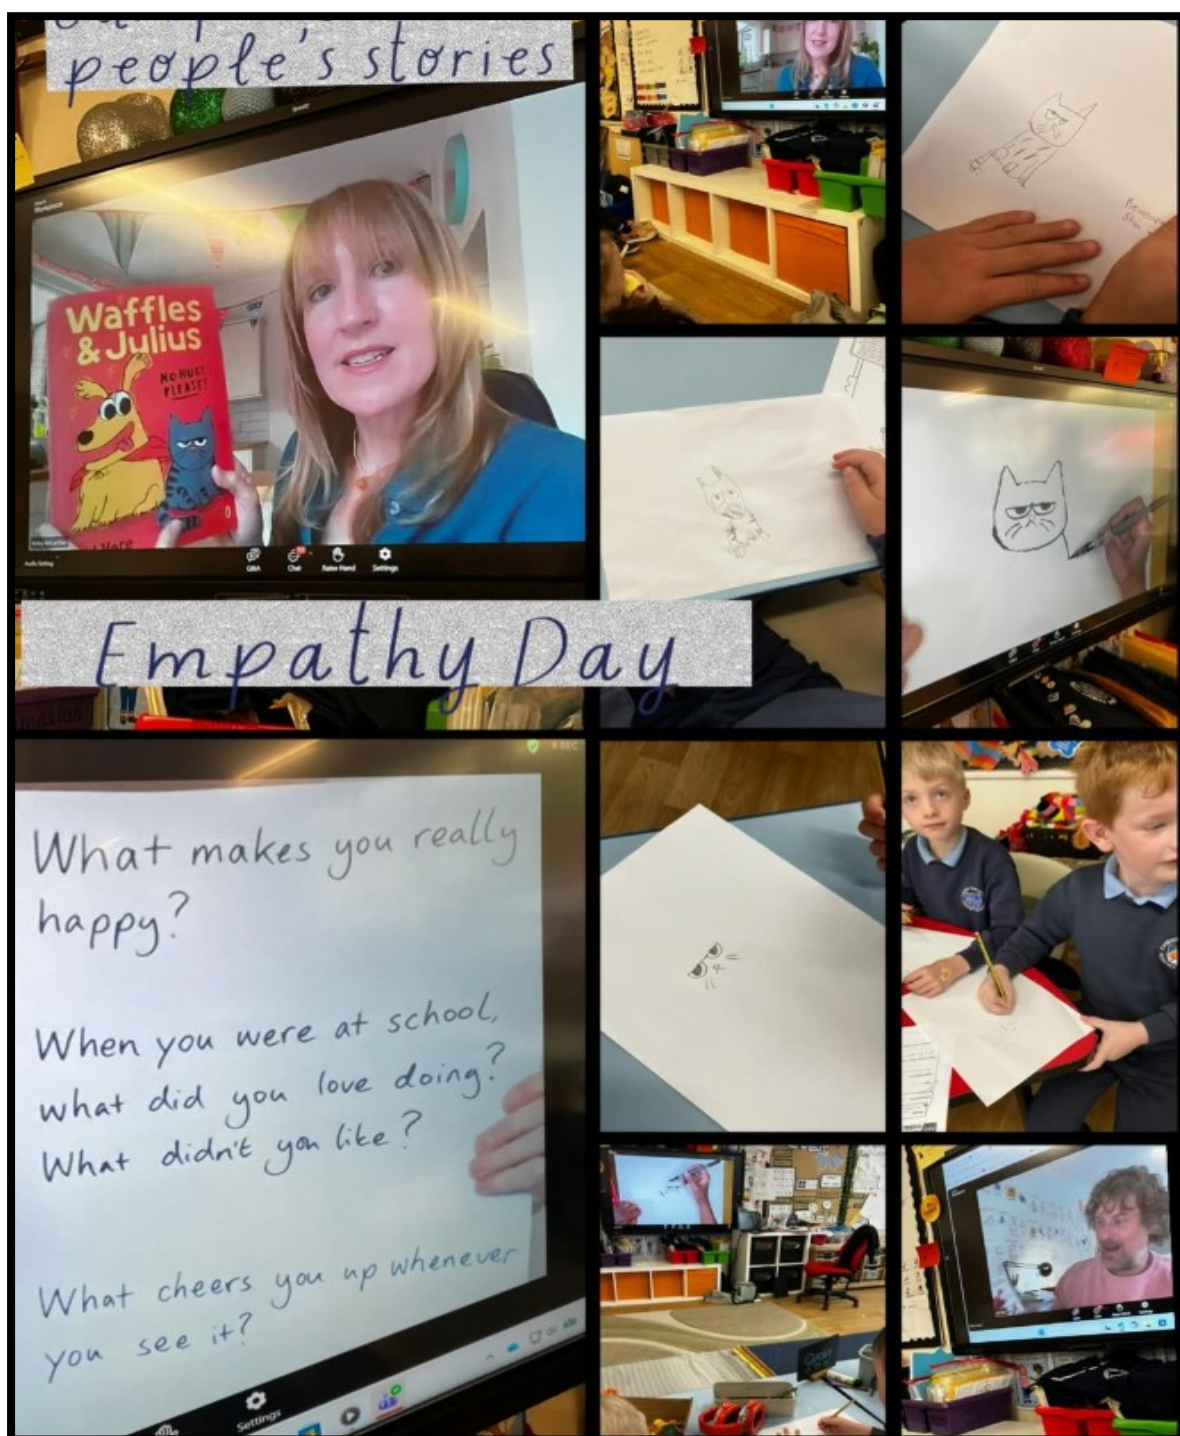

Reception

Reception have been using the story book the Really Really Really Big dinosaur to continue learning about measuring. We drew our own dinosaurs and measured them. We also measured who was the tallest in the class using blocks

Year 1

Year 1 got ready for the Day of Welcome by joining an Empathy Festival webinar hosted by Jenny McLachlan and Ed Vere an author and illustrator. They shared their books with us and we talked about the characters feelings. We tried jumping into other people's stories. We joined Ed in a draw along and imagined how Julius the cat was feeling in the story No Hugs Please. [#empathy](#) [#DayofWelcome2026](#) [#SchoolofSanctuary](#)

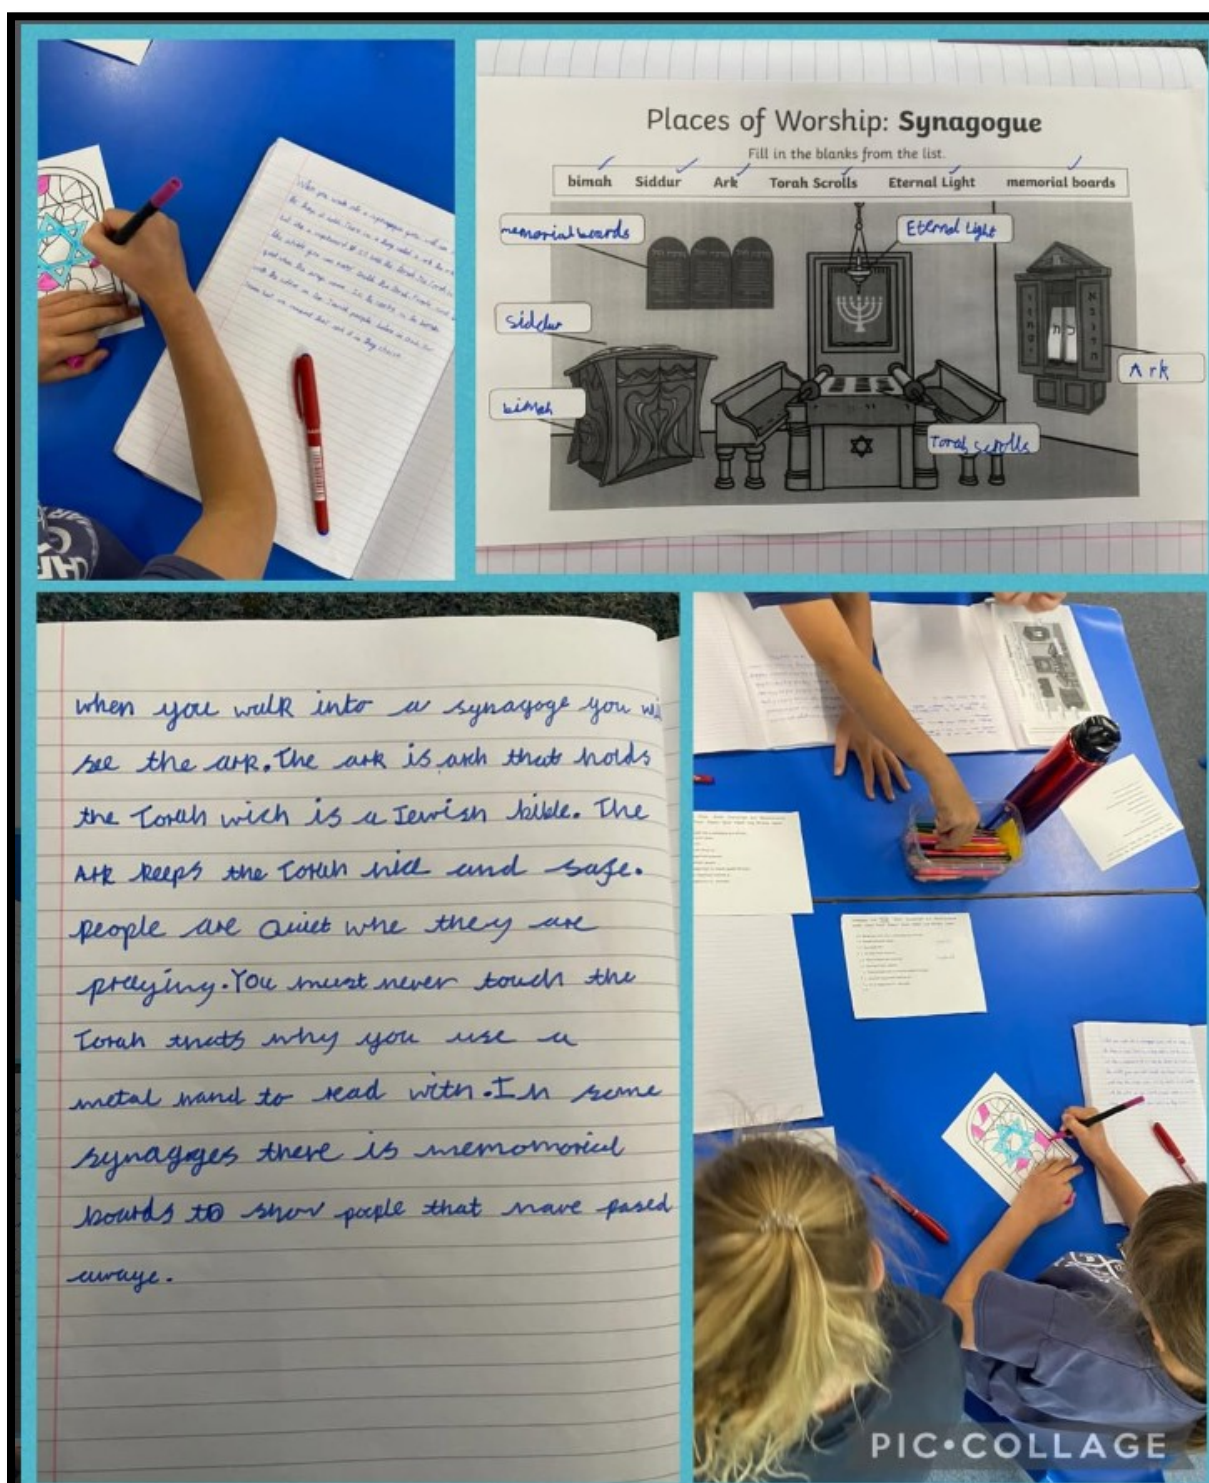

Year 2

This week Year 2 went on a litter pick in our Forest School area. We are learning to serve our school community just like Jesus has told us to. We have listened to the parable of The Good Samaritan and our now living out our faith of serving others. We are being like Patariki the Penguin by using our gifts to serve our community #CST

Year 3

Year 3 have been learning about the key features of a synagogue. Through reading and writing, they explored what they might see when entering this special place of worship. They thought carefully about how Jewish people pray, what they wear and how they show respect. [#CtkCardiffRE](#) [#Branch6](#)

Year 4

Year 4 had a fantastic day on Thursday as they undertook their first Kayaking session at the Reservoir @lisvanellanishenres The gloomy weather didn't stop them as they worked together to kayak around the reservoir and at the end they even had the opportunity to jump in! What a super experience!

Year 5

Year 5 had a fantastic time taking part in Technocamps this week. We designed and coded our own games before bringing them to life using micro:bits. A brilliant way to build problem-solving skills, creativity and confidence with technology.

Year 6

[#year6](#) had a great visit this week from Technocamps - they coded their own arcade games and were able to try out each others creations. [#dcf](#) [#computationalthinking](#)
