Belonging Celebration Assembly

Today the whole school celebrated the end of our special week in school. It has been dedicated to developing a sense of belonging and connectedness amongst us. We want our pupils to develop a strong sense of belonging to their class, school and community. Pupils who feel positive and have secure feelings around belonging and safety will flourish in their school environment. Our pupils have created class logos, written poems and songs to show how important we all are to each other in Christ The King.

Instagram—Each class will be 'instagramming' at least once a week about some of the things that they have been doing in class. You can 'follow' the school [ctkprimaryschool](https://www.instagram.com/ctkprimaryschool)

Cardiff Schools Tag Rugby Festival

Well done to some of our Y5 and Y6 pupils who took part in the Cardiff Schools Tag Rugby Festival at the MET. The boys and girls team played so well that the team were placed second in the competition.

The festival was delivered in partnership with the Bristol Bears Rugby. As part of this exciting collaboration , several Bristol Bears players, including Louis Rees-Zammit attended to support coaching sessions and answer questions from the children.

Thank you to parents who helped with transportation to and from the event.

This Week's Attendance

Parents are reminded that any type of absence from school must first be requested by email to Mrs Miles at christthekingprm@cardiff.gov.uk.

For safeguarding reasons any child arriving late at school must be accompanied to the KS2 playground gate and handed over to a member of staff by an adult.

If your child is unwell, a telephone absence message or email should be left before 9.30am giving the nature of the illness/reason for absence.

Catholic Life of the School

Year 3 have learnt that the Kingdom of God starts with those who open their hearts to God. They shared ideas about kindness, forgiveness and helping others as they reflected on how they can live like Jesus every day. They created their own list of rules to follow in order to be part of God's Kingdom and discussed how it feels to belong to God's Kingdom. #CtkCardiffRE #Branch3

Year 3's Rules for God's Kingdom on Earth

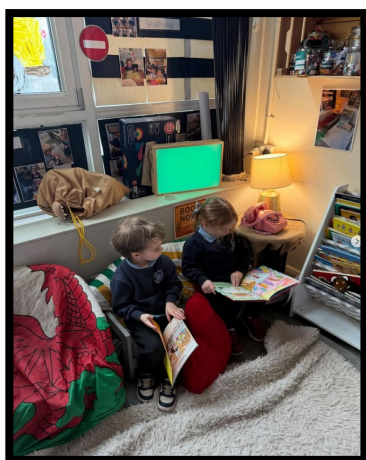

- Look after the animals and plants that God has created for us.
- Show respect to others and be kind to everyone.
- Go to church and try to pray more.
- Love one and other.
- Welcome everyone into the Kingdom of God.
- Try our best in everything we do.
- Be positive even when things are hard.
- Be polite and use our manners.
- Be gentle to everyone and help those in our community.
- Be generous and donate to charities that help others.
- Be compassionate and help people when they are feeling sad.

Celebrating Good Work

Nursery

To celebrate belonging week the nursery have shown kindness through making our new friends feel welcome in our school community.

Reception

To celebrate belonging week in reception class, we chose a friend to decorate and talked about all the things that we love about that person. We decorated a heart to share this love with a friend.

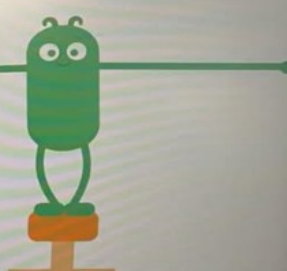

Year 1

Year 1 have explored how to have media balance in their lives - finding a happy mix between screen time and real-life fun. We shared ideas and made our own list of ways to use our devices in healthy, kind and safe ways. Learning how to pause, play, talk and rest will help us to feel connected, included and safe in our classroom community! [#DigitalCitizenship](#) [#Belonging](#)

Media Balance in Our Lives

- Setting a timer when we go on an iPad.
- Go on a bike ride with your family.
- Go for a walk to the park or the beach and play with your friends or your dog.
- Go outside and help your mum do the gardening.
- Instead of going on your iPad you could go outside and play cricket.
- You could read a book or play your family.

Year 2

This week year 2 have enjoyed creating a bookmark for a friend learning about on line safety and creating a class logo that we are all so proud of! We truly feel like we belong here.

Year 3

Thank you to Gareth Roberts from the pBuzz Project for coming in to teach Year 3 some new pBuzz skills. They practiced breath control, pitch and teamwork while discovering the joy of creating sound. [#ExpressiveArts](#)

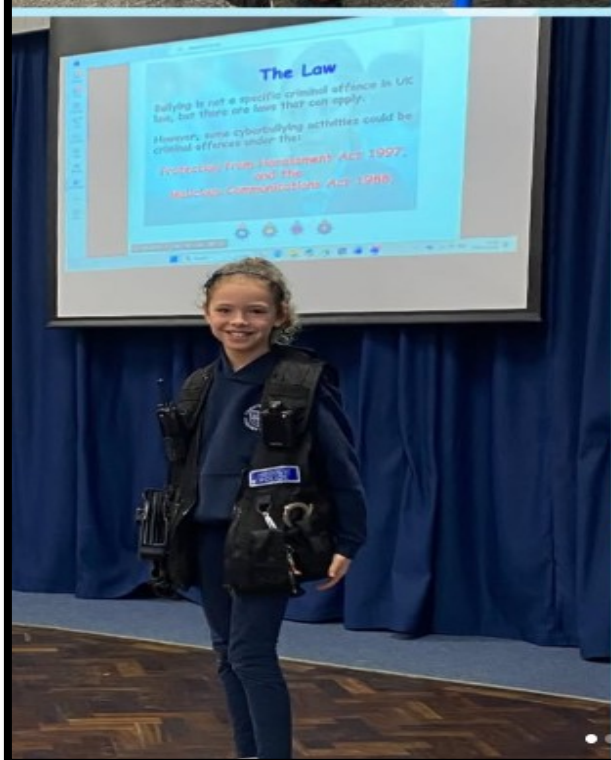

Year 4

This week we have thought about how we all belong, the values which are important to us and how teamwork makes the dreamwork! We created jigsaws using values and artwork and then competed in teams to build the tallest tower!

Year 5

Year 5 had an amazing visit from PC Izzy who came to teach them about cyber bullying and the real-life consequences that can happen. They asked brilliant questions, learnt about ways they can protect themselves online and got to try on some police uniforms! We need to make sure we look out for each other so that everyone feels safe and feels they belong, both in school and online!

Year 6

Today, Year 6 became songwriters! As part of Belonging Week, they wrote their own song lyrics, sharing powerful messages about friendship, identity, kindness and what it truly means to belong. I'm so impressed by their creativity, teamwork and the courage they showed in expressing their thoughts and feelings through music. So many thoughtful words, big ideas and proud moments in our classroom! Well done, Year 6 — your voices matter and your words made us all smile.
