Well done CTK boys and girls

A few weeks ago, one of our Year 3 pupils was reading a book "The boy who started Celtic" about a Marist Brother who created a football club in Glasgow in 1887 to help feed the poor. In the book Brother Walfrid organises some matches to raise money to feed locals in need. Our caring Year 3 pupil thought we could do that too ! He decided he wanted to set up games with school friends and have people pay to watch. With the help of the school (who let us use the grounds), the energy of the children and the generosity of parents and families, he made this happen and the children raised over £600 for the Food Market held in St Brigid's every third Saturday of the month. It was a fantastic day and all the boys and girls should be very proud of themselves. All the Year 3 children who could make it took part, and 4 friends from Year 2 joined to make up 4 teams, meaning a total of 6 matches took place. Parents helped to coach the teams and a great time was had by all.

Each class will be 'tweeting' at least once a week about some of the things that they have been doing in class. You can 'follow' the school @ctkprmc Cardiff. If you haven't got access to twitter you can access the feed via the website. The website will be continually updated with dates and information. Please look for relevant information there.
