Welcome!

We have had a great first week back. It has been lovely seeing the children back and settled so quickly after the half term break.

This morning we came together and shared an assembly led by 'Team Electric' from our Eco-Senedd. They introduced to us the start of the ten day turn down where we will all be working harder to save electricity by turning off unnecessary lights and devices. Maybe the children can join in at home too?!

Attendance

Parents are reminded that any type of absence from school must first be requested by email to Mrs Miles at christthekingprm@cardiff.gov.uk

For safeguarding reasons any late arrivals must be accompanied to the Junior playground gate and handed over to a member of staff by an adult.

If your child is unwell, we request a telephone absence message or email to be left before 9.30am giving the nature of the illness/reason for absence.

A little Autumn exploring in Nursery! Our wonderful little explorers have been busy discovering all the wonderful Autumn treasures nature has to offer. The children have loved exploring their Autumn finds with their friends, using magnifying glasses to take a closer look at all the little details. So many lovely opportunities for curiosity, discovery, learning and friendship. We wonder what other Autumn treasures we might find!

Reception have been learning about staying healthy by eating well and exercising . We have also been learning about who will help us when we are poorly 🤒.

Year 1 are learning about what living things need to survive. We made shelters for our toy animals at Forest School and talked about how it would help the animal survive

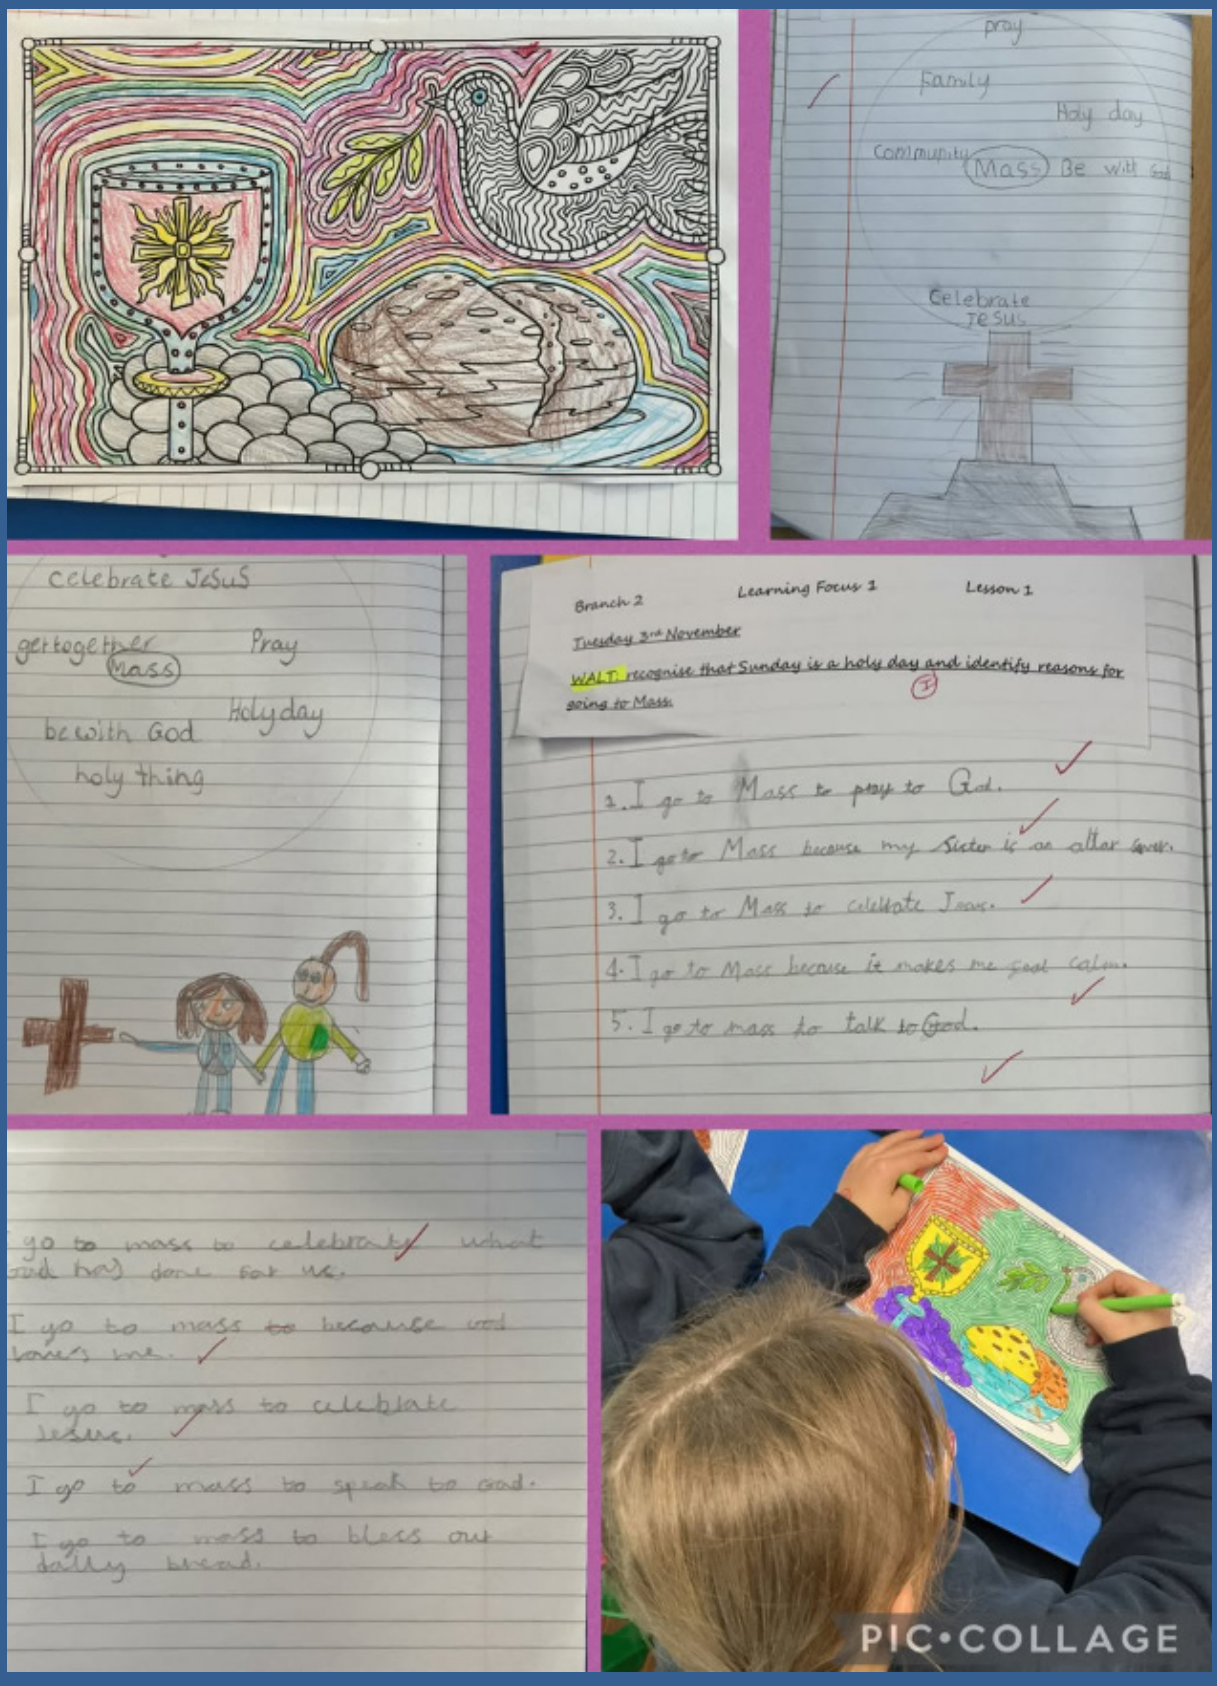

Year 2 enjoyed a visit from Whitchurch Fire Station this week, to talk to us about how to keep ourselves safe 👩‍🚒

Year 3 explored why Sunday is a special and holy day. We identified different reasons for attending Mass and reflected on how gathering in worship helps us grow in faith and strengthen our community. ⛪❤️

Year 5 proudly led the ministries and celebrated Mass with our parish community at Christ the King Church this week. The children reverently carried out their roles and represented the school beautifully. Thank you to Father Andy for leading the celebration and helping to make it such a special occasion.

Year 6 have had a great session looking at renewable energy and the importance of it for our sustainable future. We have researched and created lots of posters sharing information about the different types.
