Sport's Day

We had a fantastic Sport's Day this week and the weather was very kind to us . All the children took part in the flat races and obstacle courses in the morning and then the round robin activities in the afternoon. It was a joy to watch all pupils enjoying themselves and trying really hard in all the activities . Each house was awarded points and Pendine came out on top . A big thank you to the PFA for providing refreshments . Parents appeared to enjoy the morning as was illustrated in the large turn out for the parent races . Well done everyone , a great time was had by all.

Instagram—Each class will be 'instagramming' at least once a week about some of the things that they have been doing in class. You can 'follow' the school Ctkprimaryschool

PFA NEWS

JULY 2026

As another fantastic school year comes to an end, we'd like to say a huge thank you to all our parents, families and friends for your continued support. Year after year, you make such a difference, and it's what makes our PFA so special.

We hope you'll agree that this year's Summer Fair was a great success! It was wonderful to see so many of you embracing the Wild West theme with cowboy hats and check shirts galore. From line dancing, the bucking bronco and pony rides, there really was something for everyone. Together, we raised an incredible £3,000!

Thanks to your generosity and support throughout the year, we have now raised over £8,500 in total. These funds have enabled us to purchase a brand-new stage for the school hall, provide new iPads for the children, and fund transport to the pantomime. Your support has made a real difference to the opportunities and experiences we can provide for our pupils, and we are incredibly grateful for every donation, raffle ticket purchased and event attended.

Over the last four years, we've had the absolute pleasure of being your PFA Chairs, and we've loved every minute of it. We couldn't have done it without our amazing committee and all the wonderful volunteers who give up their time to help throughout the year. Every event is only possible because of the incredible support we receive.

We've decided that now is the right time to hand over the reins of this wonderful PFA – and that's where we need you!

If you'd like to help lead this fantastic committee and play a part in shaping the future of fundraising for our lovely school, we'd love to hear from you. The role can be shared between one person, two friends, or even a small team, so please don't think you have to do it alone.

Have a think, have a chat with friends, and if you think you could help please get in touch. We know there are people out there who will bring fresh ideas, create even more fun, and help raise lots more money for our wonderful school in the years ahead.

Thank you once again for all your support and for making our time as Chairs so memorable.

With love and thanks, Hannah & Bryony x

Thank you so much Mrs Hill.

This week was our last training session with Mrs Hill as coach . She has coached several of our netball teams over the years . On many occasions our CTK netball team has claimed victory or at least given a great account of themselves in the match. Kath Hill has been responsible for developing the netball skills in our pupils and we will really miss her expertise and care . We are hoping that Ms Pymm will now be able to carry on with the great netball legacy that exists in our school.

Be safe this summer

Travelling abroad? Stay safe around animals to protect your family from rabies.

What is rabies?

Rabies is a virus that affects mammals, including dogs and people. It is deadly but preventable.

How rabies spreads

Rabies is spread in the saliva of infected animals through:

bites

scratches

licks

How to stay safe

Don't touch or approach unknown dogs or cats

Check the rabies risk at your destination and consider pre-travel vaccination

Never disturb dogs when they are eating, sleeping or with their puppies to reduce the risk of bites

Avoid dog bites, scratches and licks

If a dog bites you:

1

Wash

Wash the wound with soap and running water for 15 minutes

2

Apply

Apply antiseptic, if available

3

Go

Go to the hospital

Did you know?

Around 59,000

people die from rabies every year worldwide. Children are most at risk.

99%

of human rabies cases are linked to contact with infected dogs

While rabies is rare in the UK, it remains a serious risk in many popular holiday destinations. Mission Rabies works around the world to end rabies through dog vaccination and education.

For more details scan QR code or go to wvs.org.uk/rabies-travel-advice/

Secondary School Applications for September 2027

Please be aware that the application period for Secondary places in 27/28 will be from **September 4th 2026 – 30th October 2026** .

Late Pupils

May we remind parents that any pupils arriving after 8.55am must be accompanied to the School Office by an adult.

School Trip Contributions

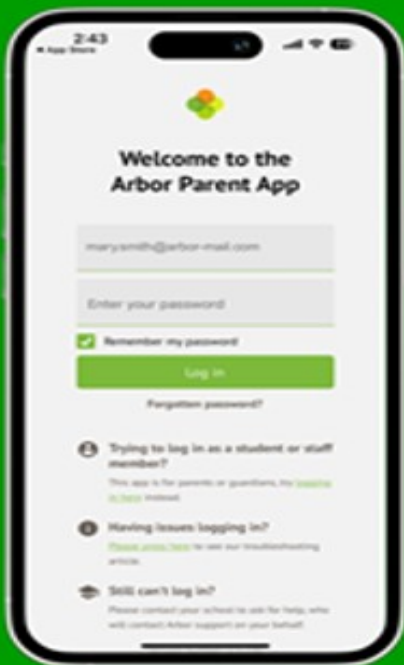

When organising school visits that enrich the curriculum and educational experience of the children, the school asks parents to **contribute to the full cost of the trip**. All contributions are voluntary but if the school does not receive sufficient voluntary contributions that cover the cost, either the school will be required to make up the shortfall which means taking money from other budget headings, or the trip will be cancelled. If there are any problems parents are asked to please talk to the school

All schools in Cardiff have migrated over to the Arbor system this academic, CTK migrated over in February. From October 2026 we will be launching the Arbor Parent App. We will provide further information nearer the time with regards to the launch date and some of the information the App will have for you. There is no need to take action at the moment but we want to start to prepare parents for onboarding the app.

We're using the Arbor Parent App!

See and manage your child's day-to-day school information. Understand their progress, make payments and bookings, and receive in-app messages - all from one app

A smartphone screen displaying the Arbor Parent App login interface. The screen shows a welcome message, a login form with fields for email and password, a "Log in" button, and a "Forgot password?" link. Below the login form, there are links for "Trying to log in as a student or staff member?", "Having issues logging in?", and "Still can't log in?".

- Log in in seconds with Face ID
- Receive in-app messages and reminders on your phone
- Make payments, sign up for clubs, and book parents evenings
- See your child's progress, attendance, behaviour points, report cards and more
- Check your child's calendar, it's always up-to-date

Scan the QR code to download the Arbor Parent App, and use your email address to log in

This Week's Attendance

Parents are reminded that any type of absence from school must first be requested by email to Mrs Miles at christthekingprm@cardiff.gov.uk.

For safeguarding reasons any child arriving late at school must be accompanied to the KS2 playground gate and handed over to a member of staff by an adult.

If your child is unwell, a telephone absence message or email should be left before 9.30am giving the nature of the illness/reason for absence.

Class	Attendance	Minutes Late
Reception	90.69%	0 mins
Year 1	99.29%	22 mins
Year 2	94.83%	8 mins
Year 3	93.67%	13 mins
Year 4	89.66%	27 mins
Year 5	95%	23 mins
Year 6	91.94%	16 mins

Celebrating Good Work

Nursery

Nursery enjoyed a brilliant transition day in Reception class this week We had lots of fun exploring our new classroom with our friends and new teachers

Reception

Thank you so much to [@bubbys boutique store](#) for coming in to Reception this week we learned all about being an entrepreneur and what it takes we then created our own class bunting for our end of year celebration

Year 1

Sports day fun for year 1 this week! Sprint races and the obstacle course

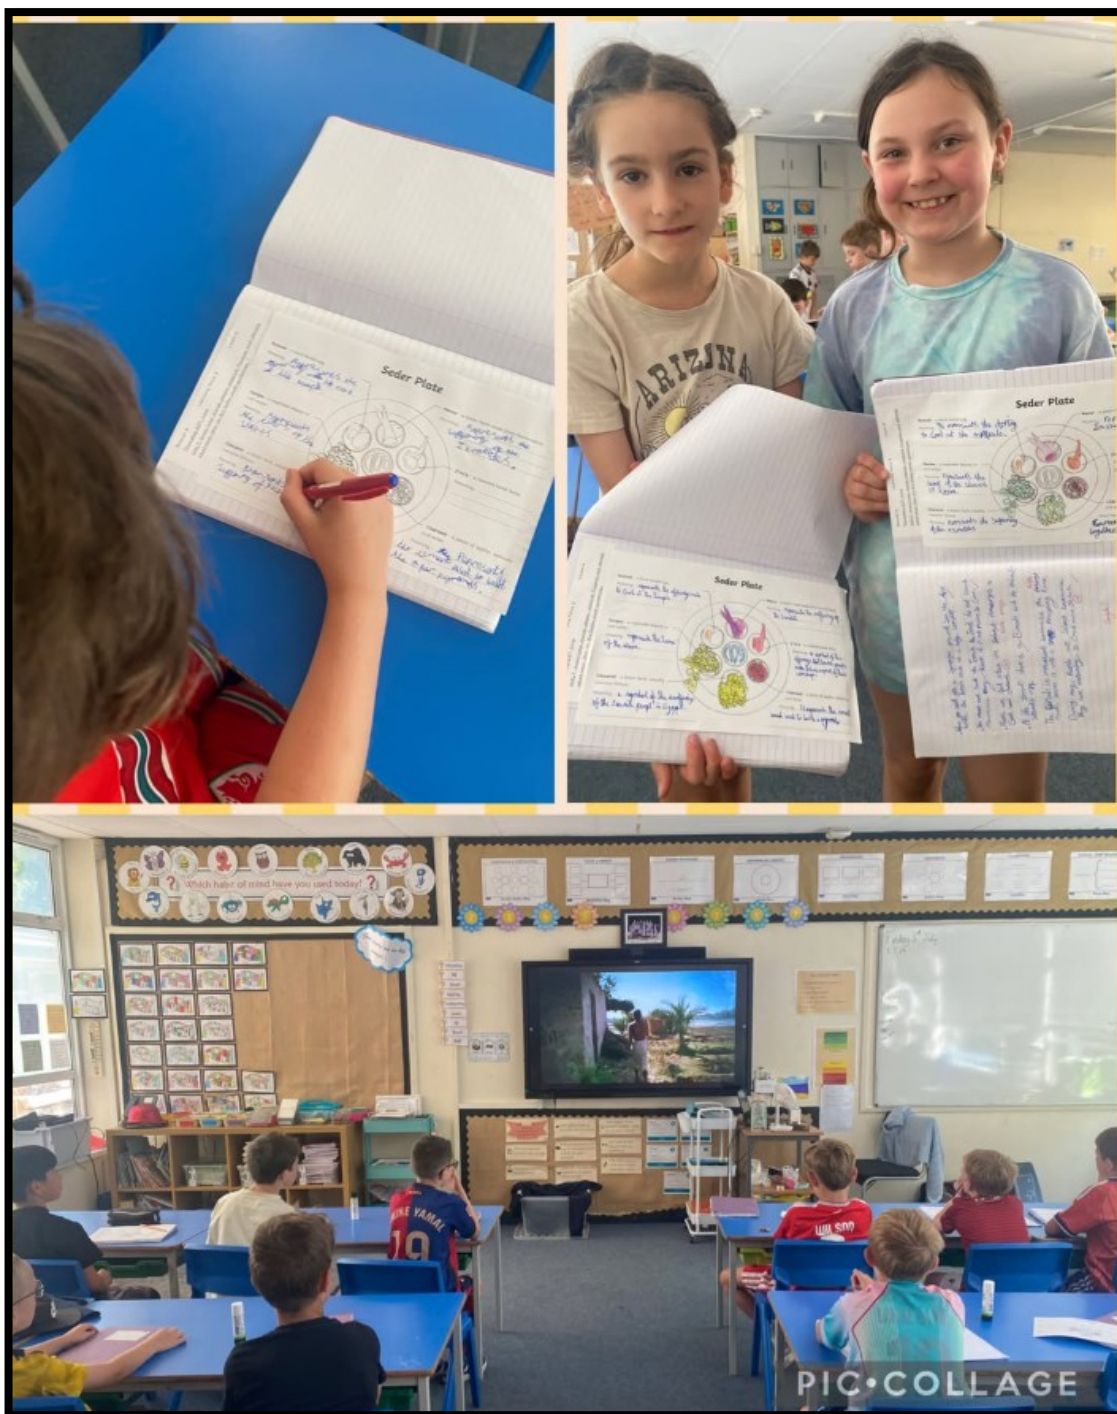

Year 2

This week Year 2 had a brilliant visit from an entrepreneur who told us all about their business and helped us use some of the tools that they use to create our very own pencil toppers

Year 3

Year 3 explored the Jewish celebration of Passover and learned about the special Sedar plate. We used key vocabulary to describe what each item on the Sedar plate represents and know how each item helps to tell the story of the Exodus.

Year 4

Year 4 had a great session with Cardiff University. We have continued analysing data based on the temperature and air quality around our school. We are now thinking of ways to improve - a real life problem based on the temperature at the moment!!

Year 5

Year 5 had a fantastic time participating in sports day this week. Everyone showing teamwork in their houses. Well done all

Year 6

Some action shots of [#year6](#) competing in the obstacle course race.
